

Thursday, 10. October 2024*Break*

08:00 - 09:00

Charter 1

Registration & light breakfast*Plenary session*

09:00 - 09:10

Charter 1

Welcome to the CSP Student Conference 2024*Chair:* Jill Plummer (United Kingdom)*Plenary session*

09:10 - 09:40

Charter 1

"Talk isn't cheap - it's priceless!"*Chair:* Lisa Roberts (University Hospital Southampton NHS Foundation Trust, United Kingdom)*Keynote*

09:45 - 10:00

Charter 1

Paediatric Physiotherapy: Preparing for Paediatrics*Chair:* Jemma Bell (Newcastle upon Tyne Hospitals NHS Foundation Trust., United Kingdom)*Abstract presentations*

10:05 - 10:45

Charter 1

Student Abstracts**ADHD adults' experiences and perceptions of physiotherapy, and how it could be more inclusive**

10:05 - 10:15

Oral Presenter: Matthew Kelleher (University of Winchester, United Kingdom)**Practice-based learning within the health & justice sector: a London review**

10:15 - 10:20

Oral Presenter: Sarumathie Satkunarajah (King's College London, United Kingdom)**Association between isometric knee extensor strength at 20° and 90° measured using a hand-held dynamometer in recreationally active adults**

10:20 - 10:25

Oral Presenter: Ellie Lewis (University of Southampton, United Kingdom)**The impact of printed postpartum education materials on self-efficacy and readability: a mixed methods analysis**

10:25 - 10:30

Oral Presenter: Katrina Beard (St Marys University, Twickenham, United Kingdom)**The relationship between socioeconomic indicators and pelvic floor strength in parous women: a systematic review**

10:30 - 10:35

Oral Presenter: Phoebe Lau (London South Bank University, United Kingdom)**Q&A**

10:35 - 10:45

Break

10:45 - 11:05

Charter 1

Break*Keynote*

11:05 - 11:25

Charter 1

From therapist to patient*Chair:* Caroline James (United Kingdom)**From therapist to patient**

11:05 - 11:05

Plenary session

11:25 - 12:25

Charter 1

The Future of Physiotherapy**The Future of Physiotherapy**

11:25 - 11:25

Speaker: Esther Clift (Winchester University, United Kingdom)*Speaker:* Verity Ford (Lancashire and South Cumbria Ventilation Service., United Kingdom)*Speaker:* Ash James (The Chartered Society of Physiotherapy, United Kingdom)*Speaker:* Neil Langridge (AECC University, United Kingdom)*Speaker:* Adine Adonis (United Kingdom)*Break*

12:25 - 13:10

Charter 1

Lunch & poster viewing*Plenary session*

13:15 - 13:20

Charter 1

Afternoon welcome*Chair:* Aisha Saeed (United Kingdom)*Plenary session*

13:20 - 13:50

Charter 1

Towards 2030: the Physio Technologist - Innovation and Informatics*Chair:* Euan McComiskie (The Chartered Society of Physiotherapy, United Kingdom)**Towards 2030: the Physio Technologist - Innovation and Informatics**

13:20 - 13:20

Speaker: Claudia Lindner (The University of Manchester, United Kingdom)*Speaker:* Brooke Nairn (University College London, United Kingdom)*Speaker:* Rachel Young (Sheffield Hallam University, United Kingdom)*Plenary session*

14:00 - 14:45

Charter 1

Unlock your potential - Simulation: Learning for placement and practice (Presentation and Networking Session)**Unlock your potential: Simulation-based education supporting placement and practice**

14:00 - 14:00

Speaker: John Cowman (Chartered Society of Physiotherapy, United Kingdom)*Speaker:* Leah Greene (United Kingdom)*Speaker:* Marie Therese McDonald (The Chartered Society of Physiotherapy, United Kingdom)*Speaker:* Sundeep Watkins (The Chartered Society of Physiotherapy, United Kingdom)*Speaker:* Chloe Wheatman (University of Salford, United Kingdom)*Speaker:* Louise Henstock (United Kingdom)*Break*

14:45 - 15:00

Charter 1

Break*Keynote*

15:05 - 15:25

Charter 1

Leadership journeys*Chair:* Ishmael Beckford (United Kingdom)**Leadership Journeys**

15:05 - 15:05

Speaker: Rebecca McGowan (University of Salford, United Kingdom)*Speaker:* Frankie Allen (University of Salford, United Kingdom)

Plenary session

15:25 - 15:40

Charter 1

Leadership Skills: From pillar to practice**Leadership Skills: From pillar to practice**

15:25 - 15:25

Speaker: Kimberley Anteh (Homerton University Hospitals, United Kingdom)*Speaker:* Lewis Wright (University of Nottingham, United Kingdom)*Speaker:* Jennifer Straker (United Kingdom)*Plenary session*

15:40 - 16:10

Charter 1

Support workers on your team (on placement & in practice)*Chair:* Millie Marsh (United Kingdom)*Chair:* Rob Minter (Hull University Teaching Hospitals, United Kingdom)*Chair:* Laura Lindster (University of Hull, United Kingdom)*Plenary session*

16:10 - 16:40

Charter 1

Networks and Networking*Chair:* Laura Bunce (Oxford University Hospitals NHS Foundation Trust, United Kingdom)*Plenary session*

16:40 - 16:50

Charter 1

Awards & closing session*Break*

16:45 - 17:45

Charter 1

Student conference ends 4.45pm

Friday, 11. October 2024*Exhibition*

08:30 - 17:00

Exhibition

Exhibition & poster hall*Exhibition*

08:30 - 17:00

Demo area

Demonstration area: details to follow*Plenary session*

09:00 - 09:10

Exchange auditorium

Welcome*Chair:* John Cowman (Chartered Society of Physiotherapy, United Kingdom)**Welcome to CSP Annual Conference 2024**

09:00 - 09:00

Speaker: John Cowman (Chartered Society of Physiotherapy, United Kingdom)*Plenary session*

09:00 - 09:10

Charter 1

Welcome (Livestream from auditorium)*Keynote*

09:10 - 09:40

Exchange auditorium

Keynote: Core 20 plus 5: A focused approach to tackling health inequalities**Keynote**

09:10 - 09:10

Speaker: Aoife Molloy (NHS England, United Kingdom)*Abstract presentations*

09:10 - 10:35

Charter 1

Abstract sessions*Chair:* Ash James (The Chartered Society of Physiotherapy, United Kingdom)**Work related well-being in the UK physiotherapy workforce: quantitative findings from the YOURvieWS cross-sectional survey**

09:10 - 09:25

Speaker: Catherine Minns Lowe (University of Hertfordshire, United Kingdom)**Work related well-being in the UK physiotherapy workforce: documentary analyses of the qualitative data from the YOURvieWS cross-sectional survey**

09:25 - 09:30

Speaker: Catherine Minns Lowe (University of Hertfordshire, United Kingdom)**BuRn-out Across physiotherapists working in critical care during the COVID-19 pandemic: a UK-wide observational study (BRAVE)**

09:30 - 09:45

Speaker: Ceri Battle (Morrison Hospital, United Kingdom)**Do Black, Asian and Minority ethnic physiotherapists in England, have differing levels of work experiences compared to their White peers?**

09:45 - 09:50

Speaker: Sonia Kumar (Dudley Group NHS Foundation Trust, United Kingdom)**#Happier working lives; Musculoskeletal Outpatient Team (Queen Elizabeth Hospital Birmingham)**

09:50 - 09:55

Speaker: Jennifer Atkinson (nee Hall) (University Hospitals Birmingham NHS Trust, United Kingdom)**Investigating factors which influence the development of early career physiotherapists to aid retention**

09:55 - 10:00

Speaker: Claire George (The Robert Jones and Agnes Hunt Orthopaedic Hospital, United Kingdom)

The introduction of a Staff Pelvic Health Service to improve health and wellbeing amongst the NHS Workforce		10:00 - 10:05
<i>Speaker:</i> Nina Stuckey (Royal United Hospital, NHS Trust, United Kingdom)		
<i>Symposium</i>		
09:10 - 10:10		Charter 2
Building capacity of physiotherapists to support the working age population		
<i>Chair:</i> Paul Shawcross (Coventry University, United Kingdom)		
	Building capacity of physiotherapists to support the working age population	09:10 - 09:10
<i>Speaker:</i> Cameron Black (Buckinghamshire Healthcare NHS Trust, United Kingdom)		
<i>Speaker:</i> Heather McLellan (HKM22 Consulting, United Kingdom)		
<i>Speaker:</i> Janet O'Neill (United Kingdom)		
<i>Abstract presentations</i>		
09:10 - 09:55		Charter 3
Abstract sessions		
	Exploring recovery and rehabilitation experiences of adults with traumatic injuries in the North of Scotland	09:10 - 09:25
<i>Speaker:</i> Laura Kromrey (Robert Gordon University, United Kingdom)		
	Physiotherapists' perceptions of the knowledge and skills required for collaborative goal-setting within neurological rehabilitation settings	09:25 - 09:30
<i>Speaker:</i> Luisa Holt (University of Southampton, United Kingdom)		
	Evaluation of the Keep On Keep Up (KOKU) programme for people with Parkinson's	09:30 - 09:35
<i>Speaker:</i> Julia Das (Northumbria University, United Kingdom)		
	Q&A	09:35 - 09:50
<i>Symposium</i>		
09:15 - 10:15		Exchange 9
Psychologically informed training for professionals working across the life-course		
	Psychologically informed training for professionals working across the life-course	09:15 - 09:15
<i>Speaker:</i> Diamuid Denney (Brunel University, United Kingdom)		
<i>Speaker:</i> Clair Jacobs (Guys and St Thomas' Hospital, United Kingdom)		
<i>Speaker:</i> Patrycja Jakubiec (Guys and St Thomas' Hospital, United Kingdom)		
<i>Speaker:</i> Christine Price (United Kingdom)		
<i>Speaker:</i> Jane Robinson (Sheffield Children's FT, United Kingdom)		
<i>Symposium</i>		
09:15 - 10:15		Exchange 11
Preceptorship: National policy into frontline impact		
	Preceptorship: Supporting retention of the clinical workforce	09:15 - 09:15
<i>Speaker:</i> George Alvey (Worcestershire Acute Hospitals NHS Trust, United Kingdom)		
<i>Speaker:</i> Samantha Branston (Leicestershire Partnership Trust, United Kingdom)		
<i>Speaker:</i> Helen Marriott (NHS England, United Kingdom)		
<i>Speaker:</i> Claire Turvey (Leicestershire Partnership Trust, United Kingdom)		
<i>Speaker:</i> Amanda Weaver (United Kingdom)		
<i>Speaker:</i> Eve Wilkinson (Blackpool Victoria Hospital, United Kingdom)		

Symposium

09:40 - 10:40

Exchange auditorium

Taking action on musculoskeletal health inequalities and deprivation: findings from the ARMA inquiry*Chair:* Christopher Martey (Chair of ARMA, United Kingdom)**Taking action on musculoskeletal health inequalities and deprivation: findings from the ARMA inquiry**

09:40 - 09:40

Speaker: Sue Brown (Arthritis and Musculoskeletal Alliance (ARMA), United Kingdom)*Speaker:* Anthony Gilbert (Royal National Orthopaedic Hospital NHS Trust, United Kingdom)*Speaker:* Jane Taylor (ARMA, United Kingdom)*Symposium*

09:55 - 10:20

Charter 3

The first steps and first words campaign - everyone has a right to rehab*Chair:* Kate Tantom (Plymouth NHS Trust, United Kingdom)**The first steps and first words campaign - everyone has a right to rehab**

09:55 - 09:55

Speaker: Jude Fewings (Plymouth NHS Trust, United Kingdom)*Speaker:* Alice Brelsford-Ward (Mount Gould Hospital Plymouth Neuro Rehab Unit, United Kingdom)*Abstract presentations*

10:10 - 10:35

Charter 2

Abstract sessions**Effectiveness and characteristics of work participation interventions for adults with musculoskeletal upper limb conditions: a systematic review**

10:10 - 10:15

Speaker: Lisa Newington (Queen Mary University of London, United Kingdom)**Supporting work participation for adults with hand and upper limb conditions: a survey of the British Association of Hand Therapists**

10:15 - 10:20

Speaker: Lisa Newington (Queen Mary University of London, United Kingdom)*Break*

10:15 - 10:55

Reasonable adjustments in the workplace: it's everyone's business**Reasonable adjustments in the workplace: it's everyone's business**

10:50 - 10:50

Speaker: Greet Janssens (Hertfordshire Community NHS Trust, United Kingdom)*Speaker:* Sarah Marshall (Department for Work and Pensions, Work and Health Services Group, United Kingdom)*Speaker:* Colette Owen (APOHE, United Kingdom)*Speaker:* Amanda Pike (University of Winchester, United Kingdom)*Workshop session*

10:50 - 11:20

Networking zone

Starting out and moving up in research**Starting out and moving up in research**

10:50 - 10:50

Speaker: Dr Ali Aries (School of Allied Health Professions, Keele University and Allied Health Professions (AHP) Research Lead, The Royal Wolverhampton NHS Trust), United Kingdom)*Speaker:* Dr Rachel Stockley (University of Central Lancashire, United Kingdom)*Abstract presentations*

10:55 - 11:25

Exchange 11

Abstract sessions**Validation of the Spider: a multistemic symptom screening tool for adults with hypermobility related conditions**

10:55 - 11:10

Speaker: Jane Simmonds (University College London, United Kingdom)**Supporting primary care clinicians to identify people at risk of rheumatoid arthritis by targeted anti-CCP testing: an intervention development study**

11:10 - 11:15

Speaker: Heidi Siddle (University of Leeds, United Kingdom)**Perspectives of physiotherapists with expertise in rheumatology on the barriers and facilitators influencing the identification of axial spondyloarthritis by FCPs**

11:15 - 11:20

Speaker: Carissa Jones (NHS Midlands Partnership Foundation Trust, United Kingdom)**Q&A**

11:20 - 11:25

Symposium

11:00 - 12:05

Exchange auditorium

Towards Rehabilitation 2030: scalable solutions to global challenges*Chair:* John Cowman (Chartered Society of Physiotherapy, United Kingdom)**Towards Rehabilitation 2030: scalable solutions to global challenges**

11:00 - 12:00

Speaker: Carol Keen (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)*Speaker:* Nik Kudiersky (Sheffield Hallam University, United Kingdom)

Speaker: Tom Maden-Wilkinson (Sheffield Hallam University, United Kingdom)

Speaker: Rachel Young (Sheffield Hallam University, United Kingdom)

Symposium

11:00 - 12:00

Charter 1

Apprenticeships - learning from experience

Chair: Douglas Lauchlan (Glasgow Caledonian University, United Kingdom)

Apprenticeships - learning from experience

11:00 - 11:00

Speaker: Jodie Bryant (Birmingham City University, United Kingdom)

Speaker: Abigail Henderson (The Chartered Society of Physiotherapy, United Kingdom)

Speaker: Anjali Midha (Birmingham University College, United Kingdom)

Speaker: Rachel Newton (The Chartered Society of Physiotherapy, United Kingdom)

Speaker: Alison Wildt (Nottingham University Hospitals NHS Trust, United Kingdom)

Speaker: Vicki Jennings (Aneurin Bevan University Health Board, United Kingdom)

Symposium

11:00 - 11:15

Charter 2

Personalised Exercise-Rehabilitation FOR people with Multiple long-term conditions (PERFORM) trial

Chair: Sally Singh (University of Leicester, United Kingdom)

Symposium

11:00 - 12:00

Charter 3

Going to school with musculoskeletal pain: attendance matters!

Chair: Rhiannon Joslin (University of Southampton and University Hospitals Sussex, United Kingdom)

Going to school with musculoskeletal pain: attendance matters!

11:00 - 11:00

Speaker: Victoria Harbottle (Great North Children's Hospital, United Kingdom)

Speaker: Rebecca Pepper (University Hospitals Sussex, United Kingdom)

Speaker: Beau Sherwood (University of Southampton, United Kingdom)

Abstract presentations

11:15 - 12:00

Charter 2

Abstract sessions

A qualitative study of barriers and facilitators to uptake of cardiac rehabilitation in octogenarians

11:15 - 11:20

Speaker: Charlotte Nichol (Northumbria University, United Kingdom)

Rehabilitation Interventions to modify physical frailty in adult lung transplant candidates: a systematic review

11:20 - 11:25

Speaker: Laura McGarrigle (Manchester University NHS Foundation Trust, United Kingdom)

Impact of collaboration with voluntary / charitable organisations in running pulmonary rehabilitation (PR) focus groups with marginalised populations in Camden

11:25 - 11:30

Speaker: Jane Simpson (Whittington Health NHS Trust, United Kingdom)

Management of asthma in Virtual Wards

11:30 - 11:35

Speaker: Ross Matthew Whelan (Kingston Hospital NHS Foundation Trust, United Kingdom)

Exploring the provision for physiotherapy students and early career workforce within cardiovascular rehabilitation: a UK based survey

11:35 - 11:40

Speaker: Susan Young (Aneurin Bevan University Health Board, United Kingdom)

Q&A

11:40 - 11:55

Keynote

11:25 - 11:40

Exchange 11

Considering breast weight management in clinical practice - an issue hidden in plain sight*Chair:* Siobhan O'Donovan (United Kingdom)**Considering breast weight management in clinical practice - an issue hidden in plain sight**

11:25 - 11:40

Workshop session

11:25 - 11:55

Networking zone

Act Now: Tackling health inequalities in MSK**Act Now: Tackling health inequalities in MSK**

11:25 - 11:25

Speaker: Sue Brown (Arthritis and Musculoskeletal Alliance (ARMA), United Kingdom)*Speaker:* Christopher Martey (Chair of ARMA, United Kingdom)*Abstract presentations*

11:40 - 11:55

Exchange 11

Abstract sessions**An RCT on high-intensity-focused electromagnetic therapy and pelvic floor training's effect on urine leakage in mothers with stress urinary incontinence**

11:40 - 11:45

Speaker: William W. N. Tsang (Hong Kong Metropolitan University, China)**Exploring the use of point of care ultrasound (PoCUS) within UK pelvic health physiotherapy services**

11:45 - 11:50

Speaker: Laura Bunce (Oxford University Hospitals NHS Foundation Trust, United Kingdom)*Keynote*

12:05 - 12:45

Exchange auditorium

CSP Founders' Lecture 2024**Hands behind! Nose over toes!**

12:05 - 12:05

Speaker: Michael Rosen (United Kingdom)*Keynote*

12:05 - 12:45

Lights, camera, inspiration! Rehab innovation on screen**Lights, camera, inspiration! Rehab innovation on screen**

13:00 - 13:00

Speaker: Indeg Jameson (Hywel Dda University Health Board, United Kingdom)*Speaker:* Rachel Livingston (Leeds Community Healthcare Trust, United Kingdom)*Symposium*

13:30 - 14:15

Exchange 9

Hype or Hope? Will digital health technology reduce health inequalities?*Chair:* Ben Wanless (St George's University Hospitals NHS Trust, United Kingdom)**Hype or Hope? Will digital health technology reduce health inequalities?**

13:30 - 13:30

Speaker: Pritesh Mistry (The King's Fund, United Kingdom)*Speaker:* Christopher Seenan (Glasgow Caledonian University, United Kingdom)*Speaker:* Christina Sothinathan (Innovation Business Partner, United Kingdom)*Workshop session*

13:30 - 14:00

Networking zone

Apprenticeships - learning from experience**Apprenticeships - learning from experience (workshop)**

13:30 - 13:30

Speaker: Jodie Bryant (Birmingham City University, United Kingdom)*Speaker:* Abigail Henderson (The Chartered Society of Physiotherapy, United Kingdom)*Speaker:* Rachel Newton (The Chartered Society of Physiotherapy, United Kingdom)*Symposium*

13:45 - 15:15

Exchange auditorium

Embedding technologies throughout rehab*Chair:* Dr Rachel Stockley (University of Central Lancashire, United Kingdom)**Embedding technologies throughout rehab**

13:45 - 13:45

Speaker: Helen Gooch (University of Central Lancashire, United Kingdom)*Speaker:* Louise Jackson (Liverpool University Hospitals Foundation Trust, United Kingdom)*Speaker:* Kathryn Jarvis (University of Central Lancashire, United Kingdom)*Speaker:* Sarah Sparkes (LEGS, United Kingdom)

Symposium

13:45 - 14:55

Charter 1

So your next patient has a learning disability: Exploring adjustments**So your next patient has a learning disability: Exploring adjustments**

13:45 - 13:45

Speaker: Amanda Leech (Association of Chartered Physiotherapist For People With Learning Disabilities, United Kingdom)*Speaker:* Benjamin Walker (Association of Chartered Physiotherapist For People With Learning Disabilities, United Kingdom)*Speaker:* John McCormack (United Kingdom)*Speaker:* David Standley (United Kingdom)*Speaker:* Daniel Walsh (United Kingdom)*Speaker:* Olu Sofuwa (Association of Chartered Physiotherapist For People With Learning Disabilities, United Kingdom)*Symposium*

13:45 - 14:50

Charter 2

Chronic pain across the lifespan*Chair:* Jennifer Ford (Bath Centre for Pain Services, United Kingdom)**Chronic pain across the lifespan**

13:45 - 13:45

Speaker: Alice Morgan (UCLH Pain Management Centre, United Kingdom)*Speaker:* Selina Johnson (The Walton Centre NHS Trust, United Kingdom)*Symposium*

13:45 - 15:15

Charter 3

The female athlete - sex specific considerations/Sports medicine and pelvic health*Chair:* Gillian Campbell (Nottingham University, United Kingdom)**The female athlete - sex specific considerations/Sports medicine and pelvic health**

13:45 - 13:45

Speaker: Rosalyn Cooke (UK Sports Institute, United Kingdom)*Speaker:* Grainne Donnelly (United Kingdom)*Speaker:* Sophie Schryver (United Kingdom)*Speaker:* Bill Taylor (Taylor Physiotherapy, United Kingdom)*Abstract presentations*

13:45 - 14:20

Exchange 11

Abstract sessions**Developing clinical academic potential through cross-organisational collaboration: the RNOH/Bart's Health, and Brunel University AHP & Nursing Research Internship scheme**

13:45 - 14:00

Speaker: Rokhsaneh Tehrani (Royal National Orthopaedic Hospital, United Kingdom)**Co-designing solutions to improve knowledge mobilisation in musculoskeletal physiotherapy**

14:00 - 14:05

Speaker: Cheryl Grindell (University of Sheffield, United Kingdom)**How effective is social media for disseminating research evidence to health care practitioners?**

14:05 - 14:10

Speaker: Sarah Roberts-Lewis (St George's University of London, United Kingdom)**Q&A**

14:10 - 14:20

Workshop session

14:05 - 14:35

Networking zone

Supporting limb absence rehabilitation skills in non-specialist physiotherapists**Supporting limb absence rehabilitation skills in non-specialist Physiotherapists**

14:05 - 14:05

Speaker: Fiona Gillow (University of Greenwich, United Kingdom)
Speaker: Louise Tisdale (Royal Wolverhampton Trust, United Kingdom)

Workshop session

14:20 - 15:20

Exchange 9

How inspirational physiotherapy leadership influences rehabilitation transformation

How inspirational physiotherapy leadership influences rehabilitation transformation

14:20 - 14:20

Speaker: Esther Clift (Winchester University, United Kingdom)
Speaker: Karen Poole (East Sussex Healthcare NHS Trust, United Kingdom)
Speaker: caroline Southgate (Home Care provider, Doris Jones Ltd, United Kingdom)
Speaker: Ruth ten Hove (The Chartered Society of Physiotherapy, United Kingdom)
Speaker: Adine Adonis (United Kingdom)
Speaker: Sara Hazzard (Chartered Society of Physiotherapy, United Kingdom)

Spotlight session

14:20 - 14:35

Exchange 11

Post-COVID syndrome in children and young people (APCP)

Post COVID Syndrome in CYP: Recovery, complexities and challenges

14:20 - 14:20

Speaker: Faye Knight (Evelina Children's hospital, United Kingdom)
Speaker: Monica Samuel (University College Hospital London, United Kingdom)

Abstract presentations

14:35 - 15:15

Exchange 11

Abstract sessions

Feasibility of investigating the effectiveness of pacing with a heart rate monitor for people with Myalgic Encephalomyelitis and long COVID

14:35 - 14:45

Speaker: Nicola Baker (University of Liverpool, United Kingdom)

Reporting of pre-existing multiple long-term conditions in Long Covid physical rehabilitation interventions: a scoping review

14:45 - 14:50

Speaker: Lucy Gardiner (University of Leicester and University Hospitals of Leicester NHS Trust, United Kingdom)

The lived experience of people with long Covid and persistent physical symptoms: a scoping review

14:50 - 14:55

Speaker: Claire Jones (Betsi Cadwaladr University Health Board, United Kingdom)

Q&A

14:55 - 14:55

Poster presentations

Poster Talks: Targeted Action & Building Capacity

Poster Talks: Targeted Action & Building Capacity

14:35 - 14:35

Speaker: Katie Steel (Birmingham Community Healthcare NHS Foundation Trust, United Kingdom)
Speaker: Cate Sharp (Birmingham Community Healthcare NHS Foundation Trust, United Kingdom)
Speaker: Francesca Peplow (Ashford and St Peter's NHS Foundation Trust, United Kingdom)
Speaker: Paula Deacon (The Dudley Group NHS Foundation Trust, United Kingdom)

Abstract presentations

14:45 - 15:15

Charter 1

Abstract sessions

Physiotherapists Confidence and Training in Autism: A UK and Irish Survey

14:45 - 14:50

Speaker: Chantal Wroth (Health Service Executive, Ireland)

Investigating the minimum effective dose and effect of rebound exercise in community-dwelling adults with neurological disorders: a pre-post interventional study

14:50 - 14:55

Speaker: Adaora Okemuo (Buckinghamshire New University, High Wycombe., United Kingdom)

Q&A

14:55 - 15:10

Abstract presentations

14:50 - 15:15

Charter 2

Abstract sessions

Effectiveness of physiotherapy interventions for the treatment of chronic pelvic pain associated with gynecological, urological, and gastrointestinal conditions: a meta-analysis

14:50 - 14:55

Speaker: Priya Kannan (The Hong Kong Polytechnic University, Hong Kong)

A flippin' pain community outreach tour - a mixed methods evaluation of a public health campaign in Lincolnshire

14:55 - 15:00

Speaker: Nick Livadas (Teesside University, United Kingdom)

Opening the black box of cognitive functional therapy: a review using the Template for Intervention Description and Replication (TIDieR) checklist

15:00 - 15:05

Speaker: Yazeed Qashwa (Queen Margaret University, United Kingdom)

Q&A/wash-up

Improving access and benefit of physiotherapy for people experiencing homelessness*Chair:* Joanna Dawes (NIHR, United Kingdom)**Improving access and benefit of physiotherapy for people experiencing homelessness**

15:45 - 15:45

Speaker: Julie Broderick (Trinity College Dublin, United Kingdom)*Speaker:* Fiona Kennedy (Trinity College Dublin, United Kingdom)*Speaker:* Debbie Cuthbert (Fresh Start, United Kingdom)*Speaker:* Aileen Young (NHS Greater Glasgow and Clyde, United Kingdom)*Abstract presentations*

15:45 - 17:00

Charter 1

Abstract sessions**"My bloody leg" - the lived experience of arthrofibrosis and manipulation under anaesthetic following total knee arthroplasty**

15:45 - 16:00

Speaker: Fiona Moffatt (University of Nottingham, United Kingdom)**Exploring the barriers to optimal management and delivery of care for patients with arthrofibrosis following knee replacement**

16:00 - 16:15

Speaker: Melanie Narayanasamy (University of Nottingham, United Kingdom)**Predicting better participation outcomes in knee arthroplasty patients: CORKA study data**

16:15 - 16:30

Speaker: Karen Barker (Oxford University Hospitals Trust, United Kingdom)**Consistency of advice for the conservative management of knee osteoarthritis across international clinical practice guidelines**

16:30 - 16:35

Speaker: David Hamilton (Glasgow Caledonian University, United Kingdom)**Virtual physiotherapy - who does it really benefit? Patients or service providers?**

16:35 - 16:50

Speaker: Michael Dunn (St George's University Hospitals NHS Foundation Trust, United Kingdom)*Abstract presentations*

15:45 - 17:00

Charter 2

Abstract sessions*Chair:* Jane Simmonds (University College London, United Kingdom)**Using AI to automatically assess hip health in radiographs of children with cerebral palsy**

15:45 - 16:00

Speaker: Claudia Lindner (The University of Manchester, United Kingdom)**A survey on the potential benefits and challenges of automating measurements on hip radiographs in children with cerebral palsy**

16:00 - 16:05

Speaker: Claudia Lindner (The University of Manchester, United Kingdom)**What are the experiences and perceptions of stretching during childhood in adults with cerebral palsy?**

16:05 - 16:10

Speaker: Svany Jain (Sir H.N. Reliance Foundation Hospital, India)**"Is that my spine?": the experience of living with adolescent idiopathic scoliosis. A qualitative evidence synthesis**

16:10 - 16:25

Speaker: Erin Hannink (Oxford University Hospitals NHS Foundation Trust, United Kingdom)**"That needs changing": understanding education and barriers to treatment for parents of children with idiopathic congenital talipes equinovarus**

16:25 - 16:30

Speaker: Rachel Da Cruz (County Durham and Darlington NHS Foundation Trust, United Kingdom)**Early Intervention - How does the accessibility for parents with children with neurodisabilities compare between weekday and**

16:30 - 16:35

weekend programmes?

Speaker: Kath Brimlow (Scottish Centre for Children with Motor Impairments, United Kingdom)

Symposium

15:45 - 17:00

Charter 3

Teaching an old profession new tricks: Readyng physiotherapists for a digitally enabled future

Chair: Jackie Walumbe (University College London Hospitals NHS Foundation Trust, United Kingdom)

Teaching an old profession new tricks: Readyng physiotherapists for a digitally enabled future

15:45 - 15:45

Speaker: James Freed (The NHS Digital Academy, United Kingdom)

Speaker: Jackie Lidgard (The Chartered Society of Physiotherapy, United Kingdom)

Speaker: Euan McComiskie (The Chartered Society of Physiotherapy, United Kingdom)

Speaker: Nicola Henderson (United Kingdom)

Symposium

15:45 - 17:00

Exchange 9

Developing research pillars to meet HCPC standards: opportunities for all

Chair: Dr Ali Aries (School of Allied Health Professions, Keele University and Allied Health Professions (AHP) Research Lead, The Royal Wolverhampton NHS Trust), United Kingdom)

Chair: Dr Caroline Belchamber (Health Sciences University, United Kingdom)

Developing research pillars to meet HCPC standards: opportunities for all

15:45 - 15:45

Speaker: Caroline Coultard (Ashford & St Peter's Hospitals NHS Trust, United Kingdom)

Speaker: Tina Hadley-Barrows (Royal Wolverhampton NHS Trust, United Kingdom)

Symposium

15:45 - 17:00

Exchange 11

Meeting the advanced practice workforce requirements in the current climate

Chair: Tim Noblet (United Kingdom)

Meeting the advanced practice workforce requirements in the current climate

15:45 - 15:45

Speaker: Victoria Dickens MBE (Northern Care Alliance NHS Group, Salford, United Kingdom)

Speaker: Beverley Harden (NHS England Workforce, United Kingdom)

Speaker: Diane Reid (United Kingdom)

Poster presentations

15:45 - 16:30

Networking zone

Poster talks: Comprehensive Rehabilitation, Transition and Transformation and Evolving Workforce**Poster Talks: Comprehensive Rehabilitation, Transition and Transformation and Evolving Workforce**

15:45 - 15:45

Speaker: Rachael Roberts (Manchester Univeristy Hospital NHS Foundation Trust, United Kingdom)

Speaker: Laura Kromrey (Robert Gordon University, United Kingdom)

Speaker: Hajnalka Szanto (Sheffield Hallam University, United Kingdom)

Speaker: Bec Pollin-Miles (Birmingham Community Healthcare NHS Trust, United Kingdom)

Speaker: Jia Hui Gan (St George's University of London/ Royal Surrey NHS Foundation Trust/ St George's University Hospitals NHS Foundation Trust, United Kingdom)

Speaker: Brianne Poloni (The Rehab Physio, United Kingdom)

Breakout sessions

16:30 - 17:00

Networking zone

CSPRA - Tipples & wrinkles

Chair: Jane Owen (CSPRA, United Kingdom)

Chair: Claire Betts (CSPRA, United Kingdom)

Break

17:00 - 18:00

Charter 1

CSP annual conference day 1 ends 5pm

Break

17:00 - 19:00

Exhibition

Welcome reception inc poster viewing & awards

Saturday, 12. October 2024*Exhibition*

08:30 - 15:30

Exhibition

Exhibition & poster hall*Exhibition*

08:30 - 15:30

Demo area

Demonstration area: details to follow*Keynote*

09:00 - 09:25

Exchange auditorium

Navigating National Policy: Leveraging Rehabilitation to Promote Healthy Aging and Effective Care Transitions*Chair:* Jenny Keane (NHS England, United Kingdom)*Abstract presentations*

09:00 - 10:20

Charter 1

Abstract sessions**Maintaining physical activity in people with long-term conditions following engagement in physical activity referral: an intervention and implementation plan**

09:00 - 09:15

Speaker: James Gavin (University of Southampton, United Kingdom)**Transforming musculoskeletal care and healthy ageing through community, physical and digital assets, to improve health outcomes and reduce NHS demands**

09:15 - 09:20

Speaker: Nimalini Ajith (Royal Borough of Kingston Upon Thames (LA), United Kingdom)**MOVE MORE (MM): advancing equitable physical activity (PA) provision for Greater Manchester (GM) using a co-designed, whole-systems approach**

09:20 - 09:25

Speaker: Sarah Prenton (University of Salford, United Kingdom)**The implementation of a physical and psychological group physiotherapy intervention for older people with spinal stenosis**

09:25 - 09:40

Speaker: Esther Williamson (University of Exeter, United Kingdom)**Behaviour change techniques to promote self-management for people attending physiotherapy with musculoskeletal conditions: a scoping review and mapping exercise**

09:40 - 09:45

Speaker: Rachel Chester (University of East Anglia, United Kingdom)**Barriers and facilitators to exercise engagement in people over 60 at risk of falls: an exploratory study**

09:45 - 09:50

Speaker: Michelle Thirlwall (East Lancashire Hospitals NHS Trust, United Kingdom)*Symposium*

09:00 - 10:20

Charter 2

Palliative care is everyone's business*Chair:* Baroness Illora Finlay (The Chartered Society of Physiotherapy, United Kingdom)**Palliative care is everyone's business**

09:00 - 09:00

Speaker: Joanne Bayly (King's College London, United Kingdom)*Speaker:* Anita Hayes (Hospice UK, United Kingdom)*Speaker:* Natasha Richardson (ACPOPC, United Kingdom)*Speaker:* Emily Stowe (Farleigh Hospice, United Kingdom)

Symposium

09:00 - 10:00

Charter 3

Environmental physiotherapy: A transformative ecological movement toward planetary health

Chair: Joost van Wijchen (Western Norway University of Applied Sciences, Bergen, Norway and HAN University of Applied Sciences, Nijmegen, the Netherlands., United Kingdom)

Environmental physiotherapy: A transformative ecological movement toward planetary health

09:00 - 09:00

Speaker: Filip Maric (UiT The Arctic University of Norway., United Kingdom)

Speaker: Danielle Munford (Plymouth University, United Kingdom)

Speaker: Matthew Low (Consultant Physiotherapist, University Hospitals Dorset NHS Foundation, United Kingdom)

Speaker: Joost van Wijchen (Western Norway University of Applied Sciences, Bergen, Norway and HAN University of Applied Sciences, Nijmegen, the Netherlands., United Kingdom)

Speaker: Jessie Frost (Cambridge and Peterborough ICS, United Kingdom)

Workshop session

09:05 - 09:35

Networking zone

Using technologies into your practice: share the pains and gains!

Chair: Sarah Sparkes (LEGS, United Kingdom)

Chair: Dr Rachel Stockley (University of Central Lancashire, United Kingdom)

Workshop session

09:10 - 10:10

Exchange 9

Spinal injections: The challenges & successes of implementation

Spinal injections: The challenges & successes of implementation

09:10 - 09:10

Speaker: Helen Challinor (Ramsay Health Care, United Kingdom)

Speaker: Stephanie Griffiths (Central and North West London NHS Trust, United Kingdom)

Speaker: Damien Kimber (MSK Service Birmingham Community Healthcare NHSFT, United Kingdom)

Speaker: Lee Cameron (Aneurin Bevan UHB NHS Trust / NSN, United Kingdom)

Speaker: Innes Morton (NHS Western Isles, United Kingdom)

Speaker: Ash Khiloshiya (MPFT Community NHS Trust, United Kingdom)

Abstract presentations

09:10 - 10:15

Exchange 11

Abstract sessions

Views and experiences of non-medical prescribing: a national survey of prescribing physiotherapists

09:10 - 09:25

Speaker: Daniel Ian Parkinson (Wrightington, Wigan and Leigh NHS Foundation Trust, United Kingdom)

Examining the impact of medication prescribing on the role identity of physiotherapists

09:25 - 09:30

Speaker: Colin Waldock (University of Kent, United Kingdom)

An exploration of stakeholder perceptions in relation to physiotherapists undertaking community Advanced Clinical Practice roles

09:30 - 09:35

Speaker: Ben Sturrock (Herefordshire and Worcestershire Health and Care NHS Trust, United Kingdom)

Trauma Assessment and Treatment Service (TATS): a consultant physiotherapy led service for the management of MSK trauma patients at WWL

09:35 - 09:40

Speaker: Victoria Iyle (Wrightington, Wigan and Leigh NHS Teaching Trust, United Kingdom)

Virtual fracture clinics can be safely performed by a consultant physiotherapist as the clinical decision maker

09:40 - 09:45

Speaker: Andrew McDonough (Northern Care Alliance Orthopaedic service., United Kingdom)

The experiences of AHP consultants in the UK of their roles

09:45 - 09:50

Speaker: Fiona Douglas (NHS Grampian, United Kingdom)

Symposium

09:25 - 09:45

Exchange auditorium

The National rehabilitation centre - an opportunity for England**Keynote: The National rehabilitation centre - an opportunity for England**

09:25 - 09:25

Speaker: Miriam Duffy (Nottingham University Hospitals NHS Trust, United Kingdom)*Spotlight session*

09:45 - 10:15

Exchange auditorium

Exploring the evolving landscape of mTBI (concussion) assessment & monitoring*Chair:* Dylan Powell (University of Stirling, United Kingdom)**Exploring the evolving landscape of mTBI (concussion) assessment & monitoring**

09:45 - 09:45

Speaker: David Hamilton (Glasgow Caledonian University, United Kingdom)*Speaker:* Tom McKeever (Edinburgh Napier University, United Kingdom)*Speaker:* Miriam Duffy (Nottingham University Hospitals NHS Trust, United Kingdom)*Workshop session*

09:45 - 10:15

Networking zone

Are you telling or teaching? Lessons from educational psychology*Chair:* Carl Wong (Imperial College Healthcare NHS Trust, United Kingdom)*Chair:* Jamie Watson (North Tees and Hartlepool NHS FT, United Kingdom)*Abstract presentations*

10:00 - 10:20

Charter 3

Abstract sessions**The patient experience of recovery six months after musculoskeletal trauma: a qualitative study**

10:00 - 10:15

Speaker: Nicola Middlebrook (Manchester Metropolitan University, United Kingdom)**The patient experience in the early stages of recovery following musculoskeletal trauma: a qualitative study**

10:15 - 10:20

Speaker: Nicola Middlebrook (Manchester Metropolitan University, United Kingdom)*Break*

10:15 - 10:45

Charter 3

Thriving through time: The impact of physiotherapy for older people*Chair:* Janet Thomas (NHS Fife / QMU, United Kingdom)**Thriving through time: The impact of physiotherapy with older people**

10:45 - 10:45

Speaker: Janet Thomas (NHS Fife / QMU, United Kingdom)*Abstract presentations*

10:45 - 12:25

Charter 1

Abstract sessions**'I think that's probably...': a qualitative study of communicating diagnostic uncertainty and safety-netting information to people with low back pain**

10:45 - 11:00

Speaker: Christopher Horler (Sussex Community NHS Foundation Trust, United Kingdom)**What role can physiotherapists play in enhancing patient adherence to physiotherapy treatment of lower back pain in adults: a scoping-review**

11:00 - 11:05

Speaker: Jack Messenger (University of Cumbria, United Kingdom)**A delay in musculoskeletal physiotherapy and a low number of therapy sessions both have a negative impact on therapy outcomes**

11:05 - 11:10

Poster Presenter: Shemane Murtagh (University of Brighton, United Kingdom)**The role of posture in spinal pain: perceptions and practices of clinicians and academics in six continents**

11:10 - 11:25

Speaker: Chinonso Igwesi-Chidobe (University of Bradford, United Kingdom)**Prehabilitation, peri-operative rehabilitation, and post-operative rehabilitation for patients undergoing lumbar surgery: a survey of physiotherapy practice in the United Kingdom**

11:25 - 11:40

Speaker: Suzanne McIlroy (King's College Hospital NHS Foundation Trust, United Kingdom)**Home-BASMI: feasibility and tolerability of a remote-consult, video-delivered application of the Bath Ankylosing Spondylitis Metrology Index**

11:40 - 11:45

Speaker: William Gregory (Salford Care Organisation - Northern Care Alliance NHS Foundation Trust, United Kingdom)**Q&A/wash-up**

11:45 - 12:00

Symposium

10:45 - 11:45

Charter 2

Physical and psychological health across physiotherapy settings: challenges and strategies for optimising care**Physical and psychological health across physiotherapy settings: challenges and strategies for optimising care**

10:45 - 10:45

Speaker: Kate Brown (Cambridgeshire and Peterborough NHS Foundation Trust, United Kingdom)*Speaker:* Erin Byrd (Ulster University, United Kingdom)*Speaker:* Lauren Fordham (Derbyshire Healthcare NHS Foundation Trust, United Kingdom)

Speaker: Laura Hemmings (University of Birmingham, United Kingdom)

Symposium

10:45 - 12:25

Charter 3

Gasping for attention: From consensus to action

Chair: Madeline Pilbury (Stockport NHS Foundation Trust, Manchester Foundation Trust, United Kingdom)

Gasping for attention: From consensus to action

10:45 - 10:45

Speaker: Rachel Knight Lozano (University of Plymouth, United Kingdom)

Speaker: Laura Lowndes (Cambridge University Hospitals NHS Trust, United Kingdom)

Speaker: Naomi Winfield (University College, London, United Kingdom)

Workshop session

10:45 - 11:45

Exchange 9

Reflecting on rehabilitation: Future physiotherapy through the lens of musculoskeletal practice

Chair: Neil Langridge (AECC University, United Kingdom)

Reflecting on rehabilitation: Future physiotherapy through the lens of musculoskeletal practice

10:45 - 10:45

Speaker: Matthew Low (Consultant Physiotherapist, University Hospitals Dorset NHS Foundation, United Kingdom)

Speaker: Tim Noblet (United Kingdom)

Speaker: Gethin Lynch (Royal Devon University Healthcare NHS Foundation Trust, United Kingdom)

Speaker: Samantha Simmonds (Dorset Healthcare University NHS Foundation Trust, United Kingdom)

Symposium

10:45 - 12:00

Exchange 11

Support workers for the future: Grow your own

Chair: Becca Bambridge (North Bristol NHS Trust, United Kingdom)

Support workers on your team (on placement & in practice)

10:45 - 10:45

Speaker: Claire Fordham (North West London AHP Council, United Kingdom)

Speaker: Christopher Richards (Hywel Dda University Health Board, United Kingdom)

Speaker: Jimmy Butcher (Kettering General Hospital, United Kingdom)

Speaker: Lorraine Allchurch (Dudley Group NHS Foundation Trust, United Kingdom)

Workshop session

10:45 - 11:15

Networking zone

Embedding research in practice - Professional Networks and CSP working together.

Chair: Matt Liston (United Kingdom)

Chair: Catherine Lawrence (The Chartered Society of Physiotherapy, United Kingdom)

Symposium

11:20 - 12:20

Exchange auditorium

Exercise interventions for older people living with sarcopenia and frailty

Exercise interventions for older people living with sarcopenia and frailty

11:20 - 11:20

Speaker: Sarah De Biase (West Yorkshire Health and Care Partnership, United Kingdom)

Speaker: Christopher Hurst (Newcastle University, United Kingdom)

Speaker: Rhian Milton-Cole (Agile, United Kingdom)

Speaker: Prof Miles Witham (Newcastle University, United Kingdom)

Speaker: Susanne Arnold (University of Warwick, United Kingdom)

Workshop session

11:20 - 11:50

Networking zone

How to create a business case for service development

Chair: Natasha Richardson (ACPOPC, United Kingdom)

Chair: Catherine Sandsund (The Royal Marsden NHS Foundation Trust, United Kingdom)

Chair: Joanna Fairhurst (United Kingdom)

Abstract presentations

11:45 - 12:25

Charter 2

Abstract sessions**ADHD adults' experiences and perceptions of physiotherapy, and how it could be more inclusive**

11:45 - 11:50

Speaker: Matthew Kelleher (University of Winchester, United Kingdom)**Women's perceptions of support after miscarriage and clinical implications; "Because nobody talks about it..."**

11:50 - 11:55

Speaker: Mollie Stannard (AECC University College, United Kingdom)**In limbo to in control: a qualitative study exploring the patients journey to recovery following a shoulder fracture**

11:55 - 12:00

Speaker: Pauline May (East Lancashire Hospitals NHS Trust, United Kingdom)*Workshop session*

11:45 - 12:30

Exchange 9

Development of an injection therapy capability framework**Development of an injection therapy capability framework**

11:45 - 11:45

Speaker: Sharon Chan-Braddock (Society of Musculoskeletal Medicine (SOMM), United Kingdom)*Speaker:* Matthew Daly (East Sussex Healthcare NHS Trust, United Kingdom)*Speaker:* Helen Welch (West Belfast Federation, United Kingdom)*Workshop session*

11:55 - 12:25

Networking zone

Health Inequalities: Sharing the challenge*Chair:* Clare Aldridge (Chartered Society of Physiotherapy, United Kingdom)*Chair:* Sara Murrell (Chartered Society of Physiotherapy, United Kingdom)*Abstract presentations*

12:00 - 12:30

Exchange 11

Abstract sessions**A focused ethnographic study exploring delegation of clinical tasks to support workers in two musculoskeletal physiotherapy services**

12:00 - 12:15

Speaker: Panos Sarigiouannis (Midlands Partnership NHS Foundation Trust, United Kingdom)**Allied Health Professions newly registered and support workforce experiences of delegation, accountability and clinical supervision - 'AHPs delegate'**

12:15 - 12:20

Speaker: Gaby Ford (NHS England (WT&E), United Kingdom)*Plenary session*

12:20 - 12:30

12:40 - 12:40

Symposium

13:30 - 15:00

Exchange auditorium

Physiotherapy group consultations - an effective solution to current capacity challenges*Chair:* Rachel Wadlow (United Kingdom)**Physiotherapy group consultations - an effective solution to current capacity challenges**

13:30 - 13:30

Speaker: John Paul Gowland (Gateshead NHS Trust, United Kingdom)*Speaker:* Alison Manson (Group Consultants, United Kingdom)*Speaker:* Jane Ashbrook (Warrington and Halton Hospitals NHS Foundation Trust, United Kingdom)*Speaker:* Fraser Birrell (United Kingdom)*Abstract presentations*

13:30 - 15:00

Charter 1

Abstract sessions**Exploring physiotherapy management of Neurogenic Thoracic Outlet Syndrome (NTOS): a online survey of United Kingdom (UK) therapy and medical professionals**

13:30 - 13:45

Speaker: Joel O'Sullivan (University Hospitals Birmingham NHS Foundation Trust, United Kingdom)**A recently developed clinical decision support tool for MSK upper limb conditions reduces GP consultation time and variability in care**

13:45 - 13:50

Speaker: Alan Rowlands (Birmingham Community NHS Trust, United Kingdom)**Outcomes of a consultant physiotherapy upper limb clinic: reducing the patient journey through early access to specialist care**

13:50 - 13:55

Speaker: Helen Tunnicliffe (University Hospitals of Leicester, United Kingdom)**How long is the arm immobilised after a conservatively managed displaced proximal humerus fracture/ does early mobilisation effect complication rates**

13:55 - 14:00

Speaker: Helen Tunnicliffe (University Hospitals of Leicester, United Kingdom)**Q&A**

14:00 - 14:15

Implementation of the online version of an evidence-based hand

14:15 - 14:30

and arm exercise programme in routine therapy settings*Speaker:* Cynthia Srikesavan (University of Exeter, United Kingdom)

Development of an intervention for patients following an anterior cruciate ligament rupture: an online nominal group technique consensus study 14:30 - 14:35

Speaker: Hayley Carter (University Hospitals of Derby and Burton NHS Foundation Trust, United Kingdom)

Combining brief interventions with usual care to target lifestyle factors associated with shoulder rotator cuff disorders: non-randomised feasibility study (COMBINED) 14:35 - 14:40

Speaker: Julie Bury (Doncaster & Bassetlaw Teaching Hospitals NHS Foundation Trust, United Kingdom)

Completeness of rehabilitation reporting in randomised trials of stem cell interventions for tendon injuries: systematic review using the TIDieR framework 14:40 - 14:45

Speaker: David Hamilton (Glasgow Caledonian University, United Kingdom)*Symposium*

13:30 - 14:30

Charter 2

Physiotherapy for vertebral fragility fractures: What is safe and effective ?*Chair:* Karen Barker (Orthopaedics at Oxford University Hospitals NHS Trust, United Kingdom)

Physiotherapy for vertebral fragility fractures: What is safe and effective ? 13:30 - 13:30

Speaker: Sarah Leyland (Royal Osteoporosis Society, United Kingdom)*Speaker:* Meredith Newman (The Chartered Society of Physiotherapy, United Kingdom)*Symposium*

13:30 - 14:30

Charter 3

50% of patients have cancer: What do I need to know*Chair:* Natasha Richardson (ACPOPC, United Kingdom)

50% of patients have cancer: What do I need to know 13:30 - 13:30

Speaker: Sarah Dewhurst (The Royal Marsden NHS Foundation Trust, United Kingdom)*Speaker:* Gemma Harris (United Kingdom)*Speaker:* Carol Keen (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)*Workshop session*

13:30 - 14:15

Exchange 9

Postural care is very PC: Implementing the evidence base

Postural care is very PC: Implementing the evidence base 13:30 - 13:30

Speaker: Jenny Whinnett (Pamis, United Kingdom)*Speaker:* Carolynne Hunter (Pamis, United Kingdom)*Speaker:* Barry Johnston (NHS Greater Glasgow and Clyde, United Kingdom)*Speaker:* Alexandra Kane (NHS Greater Glasgow and Clyde, United Kingdom)*Abstract presentations*

13:30 - 14:50

Exchange 11

Abstract sessions

A longitudinal exploration of student experiences and perceptions of a physiotherapy student-led clinic 13:30 - 13:45

Speaker: Donna Wynne (Robert Gordon University, United Kingdom)

Service user experiences of a physiotherapy neurological rehabilitation student-led clinic 13:45 - 13:50

Speaker: Donna Wynne (Robert Gordon University, United Kingdom)

Feasibility and acceptability of an innovative physiotherapy placement: bridging clinical practice and research for enhanced 13:50 - 14:05

capacity and professional development

Speaker: Victoria Mccloughlin (The Royal Brompton Hospital, United Kingdom)

Building a Practice Education Training Workspace: taking a system approach across a group of universities in the South of England

14:05 - 14:10

Speaker: Katie Castle (NHS England, United Kingdom)

What are the attitudes and perceptions of virtual placement from the perspective of physiotherapy students and new graduates?

14:10 - 14:15

Speaker: Victoria Hill (Leeds Beckett University, United Kingdom)

Workshop session

13:30 - 14:00

Networking zone

Environmental Physiotherapy: A Movement Toward Planetary Health**Environmental physiotherapy: A transformative ecological movement toward planetary health**

13:30 - 13:30

Speaker: Filip Maric (UiT The Arctic University of Norway,, United Kingdom)

Speaker: Danielle Munford (Plymouth University, United Kingdom)

Speaker: Matthew Low (Consultant Physiotherapist, University Hospitals Dorset NHS Foundation, United Kingdom)

Speaker: Joost van Wijchen (Western Norway University of Applied Sciences, Bergen, Norway and HAN University of Applied Sciences, Nijmegen, the Netherlands., United Kingdom)

Speaker: Jessie Frost (Cambridge and Peterborough ICS, United Kingdom)

Workshop session

14:10 - 15:00

Networking zone

Launching the PHIS Community of Practice**Launching the PHIS Community of Practice**

14:10 - 14:10

Speaker: Matt Liston (United Kingdom)

Speaker: Jackie Lidgard (The Chartered Society of Physiotherapy, United Kingdom)

Speaker: Euan McComiskie (The Chartered Society of Physiotherapy, United Kingdom)

Symposium

14:20 - 15:10

Exchange 9

Research and third sector physiotherapy placements: Everyone's a winner

Chair: Lorna Johnson (King's College London, United Kingdom)

Research and third sector physiotherapy placements: Everyone's a winner

14:20 - 14:20

Speaker: Marco Davare (King's College London, United Kingdom)

Speaker: Laura Smith (NHS England, United Kingdom)

Speaker: Gemma Stanford (Royal Brompton Hospital, United Kingdom)

Speaker: Julie Whitney (King's College London, United Kingdom)

Abstract presentations

14:30 - 15:00

Charter 2

Abstract sessions**Functional activities during which the community-dwelling ageing population in the UK may experience near-falls: a modified Delphi consensus development study**

14:30 - 14:45

Speaker: Yazeed Qashwa (Queen Margaret University, United Kingdom)

Minimal clinically important change of timed up and go and QUALEFFO-41 after physiotherapy for people with vertebral fragility fractures

14:45 - 14:50

Speaker: Erin Hannink (Oxford University Hospitals NHS Foundation Trust, United Kingdom)

Abstract presentations

14:30 - 15:00

Charter 3

Abstract sessions**Evaluating the impact of physiotherapy on improvements in health for patients with primary brain tumours during radiotherapy**

14:30 - 14:35

Speaker: Paula Finlay (Belfast Health and Social Care Trust, United Kingdom)**What is the ideal model of adult community palliative rehabilitation - a realist review**

14:35 - 14:40

Speaker: Jane Manson (University of Sheffield, United Kingdom)**Early identification of functional problems and self-management support for people with thoracic cancers using an Allied Health Professional Screening Tool**

14:40 - 14:45

Speaker: Catherine Sandsund (The Royal Marsden NHS Foundation Trust, United Kingdom)*Spotlight session*

14:50 - 15:10

Exchange 11

Enhanced practice - a new national schema and profession specific curricula to develop enhanced level career pathways**Enhanced practice - a new national schema and profession specific curricula to develop enhanced level career pathways**

Health and Justice? Pain and care in prisons: a case study of marginalised populations and social determinants of health*Chair:* Sarah Bromley (Practice Plus Group, United Kingdom)**Health and Justice? Pain and care in prisons: a case study of marginalised populations and social determinants of health**

15:35 - 15:35

Speaker: Verity Gee (FCP Bucks MSK service , United Kingdom)*Speaker:* Cassandra Macgregor (NHS Lanarkshire, United Kingdom)*Speaker:* Paul New (Practice Plus Group, United Kingdom)*Abstract presentations*

15:35 - 16:35

Charter 1

Abstract sessions**Evaluating impact of getUBetter, a digital self-management support tool, deployed to 14,500 patients on a community MSK physiotherapy waiting list**

15:35 - 15:40

Speaker: Richard Husselbee (Birmingham Community Healthcare NHS Foundation Trust, United Kingdom)**UK physiotherapists' perceptions on providing face-to-face and virtual rehabilitation for patients with Greater Trochanteric Pain Syndrome (GTPS): a cross-sectional survey**

15:40 - 15:45

Speaker: Ben Foxcroft (Leeds Community Healthcare NHS Trust, United Kingdom)**Take away and replay. A physiotherapy-led project maximising technology to optimise outcomes in acute ankle sprain management within minor injuries**

15:45 - 15:50

Speaker: Diane McMahon (Southern Health and Social Care Trust, United Kingdom)**Refining the TeleRehabilitation Decision Support System for stroke patients: a patient-centric approach**

15:50 - 15:55

Speaker: Brooke Nairn (University College London, United Kingdom)**Behaviour change approaches within digital health technology-based interventions to facilitate early upper limb rehabilitation post stroke: a scoping review**

15:55 - 16:00

Speaker: Helen Gooch (University of Central Lancashire, United Kingdom)*Abstract presentations*

15:35 - 16:35

Charter 2

Abstract sessions**Head motion during turning in people with Parkinson's disease and older adults: correlations with balance confidence**

15:35 - 15:50

Speaker: Hilary Cox (The Newcastle upon Tyne Hospitals NHS Foundation Trust, United Kingdom)**Depression in the Association Between Mobilisation Timing And Live Discharge After Hip Fracture: Secondary Analysis UK National Hip Fracture Database**

15:50 - 15:55

Speaker: Rhian Milton-Cole (Queen Mary University of London, United Kingdom)**Effect of mirror therapy on lower extremity motor function and gait in stroke survivors: a meta-review of systematic reviews**

15:55 - 16:00

Speaker: Umar Muhammad Bello (Glasgow Caledonian University, United Kingdom)**The 'Your Care Needs You' intervention - learning from the Partners at Care Transitions (PACT) research project**

16:00 - 16:15

Speaker: Jane Schofield (Bradford Teaching Hospitals NHS Foundation Trust, United Kingdom)**Evaluating the efficacy of functional resistance training by sport and exercise professionals for inpatient deconditioning prevention: a service evaluation**

16:15 - 16:20

Speaker: Hannah Warwick (Northern Care Alliance, United Kingdom)

Symposium

15:35 - 16:35
