

Thursday, November 20, 2025

*Welcome*

08:00 - 09:00

**CSP Student Conference 2025: Registration & networking**

*Welcome*

09:00 - 09:10

**Welcome to the CSP Student Conference 2025**

Ash James (Chartered Society of Physiotherapy, United Kingdom)

Megan Hutchings (Cardiff University, United Kingdom)

Bronwen Griffin (Cardiff University, United Kingdom)

*Keynote*

09:10 - 09:45

**Physiotherapy and AI: Shaping the future of healthcare**

Carron Manning (Chiron Health AI, United Kingdom)

Euan McComiskie (Chartered Society of Physiotherapy, United Kingdom)

Ash James (Chartered Society of Physiotherapy, United Kingdom)

*Abstracts*

09:45 - 10:20

**Rapid 5s: Showcase**

Sylvia Wojciechowski (Chartered Society of Physiotherapy, United Kingdom)

Ash James (Chartered Society of Physiotherapy, United Kingdom)

710	<b>Influence of task difficulty on lower-limb muscle activation during non-immersive virtual reality balance tasks</b>	09:45 - 09:50
	Jessica Whidborne (Cardiff University / Aneurin Bevan UHB, United Kingdom)	
809	<b>Equity in practice: Black ethnic physiotherapy students perspectives on diversity in clinical placements</b>	09:50 - 09:55
	Tanatswa Makoni (University College Birmingham, United Kingdom)	
648	<b>"Two steps forward, one step back": adolescent and parent experiences of multidisciplinary treatment for CRPS-I</b>	09:55 - 10:00
	Tamsin Campbell (University of Southampton, United Kingdom)	
580	<b>Factors associated with fear avoidance beliefs among UK university students with low back pain</b>	10:00 - 10:05
	Tsit Yu Serena Chow (University of Bradford, United Kingdom)	

*Break*

10:20 - 10:45

**Break & poster viewing**

*Workshop*

10:45 - 11:45

**Living well with Parkinsons: Shaping the future of physiotherapy-led rehabilitation**

Ruth ten Hove (Chartered Society of Physiotherapy, United Kingdom)

Robert Davies (University Hospitals Plymouth NHS Trust & Chartered Society of Physiotherapy, United Kingdom)

Olivia Strachan (University Hospitals Derby and Burton NHS Trust, United Kingdom)

Jackie Lidgard (Chartered Society of Physiotherapy, United Kingdom)

Ash James (Chartered Society of Physiotherapy, United Kingdom)

Scott Beighton (Parkinsons center of excellence, United Kingdom)

*Spotlight*

11:45 - 11:50

**X Physiotherapy Benevolent Fund**

John Fairweather (Physiotherapy Benevolent Fund, United Kingdom)

*Networking*

11:50 - 12:20

**Finding your place: Belonging and growth through CSP networks**

Ash James (Chartered Society of Physiotherapy, United Kingdom)

Michael Pearson (Nottingham University Hospitals NHS Trust, United Kingdom)

Justine Musiime (Urgent community response therapy triage clinician at Hertfordshire community NHS trust and AHP Clinical Fellow - Urgent and emergency care (NHS England), United Kingdom)

Leira Pamp (RH Physiotherapy, United Kingdom)

Sian Caulfield (Chartered Society of Physiotherapy, United Kingdom)

*Break*

12:20 - 13:15

**Lunch & poster viewing**

463	<b>Physiotherapy students perceptions of using Cadaver specimens compared with an Anatomage Table for studying anatomy</b>	12:20 - 12:20
583	<b>Comparative effectiveness of telerehabilitation and traditional physiotherapy for chronic lower back pain: A systematic review</b>	12:20 - 12:20
607	<b>Immersive-virtual-Reality after total knee replacement: a scoping review using the Western Ontario and McMaster Index</b>	12:20 - 12:20
747	<b>Mobile app-based pelvic floor muscle training for urinary incontinence: a systematic review and meta-analysis</b>	12:20 - 12:20
619	<b>Physiotherapy students' perceptions of the ethical implications of artificial intelligence in professional practice</b>	12:20 - 12:20
705	<b>Carers' perspectives on how transcutaneous spinal-cord stimulation impacts quality of life of children with spina-bifida</b>	12:20 - 12:20
714	<b>Robot-assisted gait training compared to conventional physiotherapy in improving mobility and function in people post-stroke</b>	12:20 - 12:20
783	<b>Perceived barriers and benefits of using tSCS on children with spina bifida from carer's perspectives</b>	12:20 - 12:20
763	<b>Undergraduate, allied health student perspectives on use of immersive technologies within university teaching</b>	12:20 - 12:20
579	<b>Impact of physiotherapy on EHP-30 quality of life in women with endometriosis: A scoping review</b>	12:20 - 12:20
616	<b>Leeper and treadmill walking on changes in heart rate and blood pressure in the ankle</b>	12:20 - 12:20
741	<b>Effect of treadmill walking and the leeper on changes in blood flow in the ankle</b>	12:20 - 12:20
768	<b>Does Pilates improve pain in older adults with low back pain? A systematised literature review</b>	12:20 - 12:20
814	<b>Awareness of the menstrual cycle's effects on injury risk among female university football players</b>	12:20 - 12:20
586	<b>International physiotherapy student experiences on practice based learning</b>	12:20 - 12:20

608	<b>Managing fatigue: experiences of individuals living with fibromyalgia</b>	12:20 - 12:20
715	<b>Experiences of chronic musculoskeletal pain within ethnic minority groups in London: a qualitative study</b>	12:20 - 12:20
660	<b>Understanding knowledge of low back pain in professional horticulturists - preliminary results</b>	12:20 - 12:20
685	<b>Influence of footwear on lower limb biomechanics during jump landings in dancers - literature review</b>	12:20 - 12:20
756	<b>Community physical activity referral and signpost: a mixed-method survey exploring resources and strategies among physiotherapists</b>	12:20 - 12:20
815	<b>The effect of proprioceptive touch and targeted movement interventions on lumbar spine range of movement</b>	12:20 - 12:20
589	<b>Preparing physiotherapy graduates for promoting physical activity - an analysis of curriculum content</b>	12:20 - 12:20
587	<b>Physiotherapy improves quality of life in femoroacetabular impingement: a scoping review of current evidence literature</b>	12:20 - 12:20
612	<b>Effects of biopsychosocially-informed low back pain education on physiotherapy students' back pain-related attitudes and beliefs</b>	12:20 - 12:20
679	<b>The effect of prehabilitation compared to usual care on patient-reported knee function following ACL reconstruction</b>	12:20 - 12:20
688	<b>Impact of physical exercise interventions on cardiorespiratory fitness in adults living with Human Immunodeficiency Virus</b>	12:20 - 12:20
699	<b>Evaluating the impact of exercise therapy on pain and function in adults with GTPS</b>	12:20 - 12:20
752	<b>Hippotherapy for children with cerebral palsy: systematic review of effects on cardiorespiratory and motor function</b>	12:20 - 12:20
759	<b>Effects of an obesity simulation suit on energy expenditure during an incremental shuttle walk test</b>	12:20 - 12:20
779	<b>Test-retest reliability of conditioned pain modulation and temporal summation</b>	12:20 - 12:20
794	<b>The relationship between handgrip strength and gait speed in community-dwelling older adults: a systematic review</b>	12:20 - 12:20
822	<b>Quadriceps and hamstring activation during single-leg hop is unaffected by menstrual cycle phase</b>	12:20 - 12:20
657	<b>Patient experiences of recovery following knee replacement surgery: a qualitative study</b>	12:20 - 12:20
680	<b>"Google it": lived experiences of receiving a diagnosis of Paediatric Complex Regional Pain Syndrome</b>	12:20 - 12:20
691	<b>Musculoskeletal comorbidities in multiple sclerosis and treatment approaches used by physiotherapists in neurological outpatient settings</b>	12:20 - 12:20
740	<b>Prehabilitation vs rehabilitation: unlocking better outcomes for brain tumour patients. A systematic review</b>	12:20 - 12:20
778	<b>Person-centred care in musculoskeletal physiotherapy: a scoping</b>	12:20 - 12:20

	<b>review</b>	
791	<b>Using magnetic resonance imaging in prognosis following traumatic spinal cord injury - a scoping review</b>	12:20 - 12:20
588	<b>Beyond hormones: evaluating non-hormonal interventions for endometriosis-associated pelvic pain: a systematic review</b>	12:20 - 12:20
655	<b>Awareness of diabetes mellitus related musculoskeletal complications amongst individuals with diabetes in the UK</b>	12:20 - 12:20
665	<b>Outcomes of targeted therapies for paediatric BRAF V600-mutant low-grade gliomas: a systematic review and meta-analysis</b>	12:20 - 12:20
757	<b>Changes in grey and white matter and cognition in COPD: a systematic review and meta-analysis</b>	12:20 - 12:20
590	<b>Exploring health literacy levels in pre-registration physiotherapy students in the United Kingdom</b>	12:20 - 12:20
599	<b>Physiotherapy students' knowledge, attitudes, and educational preparation for addressing social determinants of health</b>	12:20 - 12:20
675	<b>Occupational stress and job satisfaction in newly qualified physiotherapists in the NHS: an online survey</b>	12:20 - 12:20
731	<b>Comparing breath sound identification skills in undergraduate physiotherapy students with and without cardiorespiratory placements</b>	12:20 - 12:20
732	<b>Student perspectives on anatomy education: implications for clinical confidence and workforce development</b>	12:20 - 12:20
749	<b>Physiotherapy student perceptions of tracheostomy management: requirements for greater pre-registration acute care education and exposure</b>	12:20 - 12:20
798	<b>The inner ally: self-compassion and psychological factors critical to student wellbeing and academic success</b>	12:20 - 12:20
630	<b>Exploring the prioritisation decision-making of undergraduate physiotherapy students with inpatient placement experience, and without</b>	12:20 - 12:20
632	<b>Physiotherapy students' perspectives on educator relationships and learning impact</b>	12:20 - 12:20
639	<b>Exploring whether the exercise levels of physiotherapy students affects their performance outcomes whilst on placement</b>	12:20 - 12:20
647	<b>Understanding the impact of volunteering at the London Marathon on the confidence of physiotherapy students</b>	12:20 - 12:20
662	<b>An exploration of first-year allied health students' experiences of interprofessional learning at a UK university</b>	12:20 - 12:20
724	<b>Menopause awareness among physiotherapy students: exploring knowledge, perceptions, and impact on future practice</b>	12:20 - 12:20
728	<b>Physiotherapist's experiences of developing and delivering components of hippotherapy sessions</b>	12:20 - 12:20
730	<b>Exploring the impact of current NHS staffing pressure on the experience and role of AHPs</b>	12:20 - 12:20

802	<b>How do physiotherapy students build and maintain therapeutic relationships with patients during clinical placements?</b>	12:20 - 12:20
243	<b>Student physiotherapist's perceptions of importance, and preparedness for utilising "strength and conditioning" principles in practice</b>	12:20 - 12:20
617	<b>Practice educators' readiness to facilitate interprofessional education on placements: a qualitative survey in Scotland</b>	12:20 - 12:20
694	<b>Inspiring future allied health professionals: a digital resource to support diversity and workforce expansion</b>	12:20 - 12:20
797	<b>Student physiotherapy practice value advantage</b>	12:20 - 12:20
818	<b>Delivering a student osteopath placement in a community NHS musculoskeletal outpatient clinic: a service evaluation</b>	12:20 - 12:20

*Spotlight*

13:15 - 13:30

**Social or Anti-Social? You decide: Navigating social media and regulation**

Hugh Tregoning (HCPC, United Kingdom)

Ash James (Chartered Society of Physiotherapy, United Kingdom)

*Workshop*

13:30 - 14:25

**Landing your first physiotherapy role and thriving**

Jennifer Conway (University Hospitals of Derby and Burton, United Kingdom)

Sam Preston (EPUT, United Kingdom)

Paul Twose (Cardiff and Vale UHB, United Kingdom)

J Chia (United Kingdom)

Ash James (Chartered Society of Physiotherapy, United Kingdom)

Claire Madsen (Powys Teaching Health Board, United Kingdom)

*Workshop*

14:25 - 14:45

**Exploring careers in private practice**

Carys Roberts (Swan Services (Physio | Health and Rehabilitation | Placements &amp; Training), United Kingdom)

Katie Knapton (Physio First, United Kingdom)

Ash James (Chartered Society of Physiotherapy, United Kingdom)

*Break*

14:45 - 15:15

**Break & poster viewing***Workshop*

15:15 - 16:15

**Maintaining a structured exercise programme throughout an injury period**

Trevor Langford (Teesside University, United Kingdom)

Lindsey Maughan (Teesside University, United Kingdom)

Karl Pryor (Teesside University, United Kingdom)

Tim Sharp (Cardiff University, United Kingdom)

Rachael Wadlow (Chartered Society of Physiotherapy, United Kingdom)

Louis Bell (Student) (University of Southampton, United Kingdom)

Russell Hopkins (United Kingdom)

Lucy Meyer (Student) (UEA, United Kingdom)

Ash James (Chartered Society of Physiotherapy, United Kingdom)

*Welcome*

16:15 - 16:30

**CSP Student Conference Awards**

John Cowman (Chartered Society of Physiotherapy, United Kingdom)

Friday, November 21, 2025

*Networking*

08:00 - 19:00

R5

**Exhibition viewing & poster presentations**

697	<b>Addressing frailty in primary care: a first contact physiotherapy-led intervention pilot</b> Conor Smyth (South Eastern HSC, United Kingdom)	08:00 - 08:00
825	<b>Attitudes towards physical health promotion for disease prevention among urban Sri Lankan school teachers</b> Minneripitige Ayodhya Karunaratne (University of Bedfordshire, United Kingdom)	08:00 - 08:00
661	<b>BACKFIT: evaluating the impact of combined functional rehabilitation and virtual education in low back pain</b> Lynne Dewar (Salford Care Organisation / NCA, United Kingdom)	08:00 - 08:00
832	<b>Development of patient information leaflet for aftercare following steroid injection - society of musculoskeletal medicine (SOMM)</b> Sharon Braddock (Society of Musculoskeletal Medicine, United Kingdom)	08:00 - 08:00
745	<b>Does attending an MSK Health Hub increase participants activity levels? A service evaluation and exploration</b> Karen Evans (Hampshire and Isle of Wight Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
811	<b>Early implementation of employment support integration in NHS MSK pathways to address regional health inequities</b> Diane Reid (Manchester University NHS Foundation Trust, United Kingdom)	08:00 - 08:00
773	<b>Enhancing patient health through 24-hour movement behaviours: research and HCP education enhancing knowledge and confidence</b>	08:00 - 08:00
776	<b>Evaluating the effect of Mindful Movement classes on self-efficacy in adults living with chronic pain</b> Dominique Erleigh (Kent Community Health NHS Foundation Trust, United Kingdom)	08:00 - 08:00
676	<b>Health service access for ethnic minority groups: a scoping review of complex interventions</b> Jessica Pawson (Queen Mary University of London, United Kingdom)	08:00 - 08:00
795	<b>Healthcare to the people: changing our position in practice</b> Oliver Nightingale (Health Valued Ltd, United Kingdom)	08:00 - 08:00
727	<b>Test-retest reliability and agreement between a fixed frame and belt-stabilised handheld dynamometer, in recreational cyclists</b> Dion D'Mello (Remedy- Health and Performance, United Kingdom)	08:00 - 08:00
139	<b>A service evaluation reviewing the MSK First Contact Practitioner role and GPs' understanding and perceptions</b> Laura McCool (Guys and St Thomas Hospital, United Kingdom)	08:00 - 08:00
476	<b>Active working lives: supporting the health and well-being of NHS staff through a workplace gym</b> Lisa Roberts (University of Southampton, United Kingdom)	08:00 - 08:00
252	<b>Do outpatient physiotherapists consider a women's stage of life during their care? A mixed-methods survey</b> Sophie Prudence (Imperial College Healthcare NHS Trust, United Kingdom)	08:00 - 08:00
257	<b>'Lift for Life' - feasibility of a resistance training programme for higher functioning older adults</b> James Cameron (Guy's and St. Thomas' NHS Foundation Trust, United Kingdom)	08:00 - 08:00

262	<b>Optimising self-management interventions for people experiencing socioeconomic disadvantage: learning from an osteoarthritis peer mentorship project</b> Anna Anderson (University of Leeds, United Kingdom)	08:00 - 08:00
245	<b>Proactive physiotherapy: an innovative approach to reduce sickness absence and presenteeism within the NHS workforce</b> Catherine Stanton (Gloucestershire Health and Care NHS Foundation Trust, United Kingdom)	08:00 - 08:00
326	<b>What is the role of physiotherapy in the management of menopause in the workplace?</b> Helen Tutton (Sheffield Hallam University, United Kingdom)	08:00 - 08:00
256	<b>Awareness and practice of physical activity and dietary control as preventive measures for cardiovascular diseases</b> Mark Chigozie Odom (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00
430	<b>Effectiveness of 24-hour postural care interventions for people with profound intellectual disabilities: a scoping review</b> Sarah Ballard (Coventry and Warwickshire Partnership NHS Trust, United Kingdom)	08:00 - 08:00
383	<b>Enhancing physical rehabilitation in osteoarthritis: the role of mental health-focused interventions - a scoping review</b> Sophie Willis (University of Lincoln, United Kingdom)	08:00 - 08:00
555	<b>Exploring perspectives of people with stroke living in the community about sedentary behaviour</b> Timothy Ishaku (Buckinghamshire New University, United Kingdom)	08:00 - 08:00
242	<b>How does exercise act as non-pharmacological management of long term health conditions</b> Jesal Patel (Ashford and St Peters NHS Foundation trust, United Kingdom)	08:00 - 08:00
525	<b>Cost-effectiveness of self-administered dual-task training preventing falls in community-residing older adults: multi-center randomized control trial</b> Mohammad Jobair Khan (The Hong Kong Polytechnic University, China)	08:00 - 08:00
436	<b>Physical activity behaviour after stroke: exploring movement behaviour patterns in a cross-sectional analysis</b> Sarah Paterson (Oxford Brookes University, United Kingdom)	08:00 - 08:00
216	<b>A service evaluation involving a non-traumatic rotator cuff exercise class</b> Jeehan Lynch (Hampshire and IOW Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
82	<b>A service evaluation of the First Contact Physiotherapy service in CTMUHB</b> Jessica Thomas (Cwm Taf Morgannwg University Health Board, United Kingdom)	08:00 - 08:00
26	<b>Blood flow restriction training for intractable patellar-femoral joint pain. A service development</b> Eve Stringer (CTMUHB, United Kingdom)	08:00 - 08:00
239	<b>Can aquatic physiotherapy empower us to keep swimming?</b> Joanne Harvey (Hampshire and Isle of Wight Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
124	<b>Case report on a Churchill Fellowship Project investigating innovative approaches to dementia care internationally</b> Mary-Jane Boswell (St George's NHS Trust, United Kingdom)	08:00 - 08:00
269	<b>Case report: 6-week "Healthier Lifestyles Class" reduces metabolic and cardiovascular risk in office workers</b> Alan Gooding (Nuffield Health, United Kingdom)	08:00 - 08:00
491	<b>Diet and exercise education group for improving confidence in</b>	08:00 - 08:00

	<b>breathlessness management in severe asthma patients</b> Bobby Kemp (St Bartholomew's Hospital, United Kingdom)	
386	<b>Encouraging an active workforce in a healthcare setting: a quality improvement project</b> Stephanie Oakley (Horder Healthcare, United Kingdom)	08:00 - 08:00
332	<b>Enhancing group exercise delivery for musculoskeletal patients: addressing barriers and promoting long-term adherence to exercise</b> Harvikramjit Singh Sodhi (University Hospital of Leicester, United Kingdom)	08:00 - 08:00
149	<b>Evaluation of a 4-month pilot paediatric physiotherapy back care group</b> Caroline Webster (University Hospital Southampton, United Kingdom)	08:00 - 08:00
388	<b>Evaluation of the use of wellbeing templates to support student wellbeing during physiotherapy practice placements</b> Kelly Walker (University of East Anglia, United Kingdom)	08:00 - 08:00
346	<b>Exercise and physical activity after stoma surgery: EXPASS recommendations</b> Kerry Archer (Harrogate and District NHS Foundation Trust, United Kingdom)	08:00 - 08:00
204	<b>Good work is good for health: tackling economic inactivity to reduce health inequality</b> Philippa Norris (Manchester Foundation NHS Trust, United Kingdom)	08:00 - 08:00
451	<b>Implementing physical activity campaigns for staff in a healthcare setting: a quality improvement project</b> Anne-Marie Pier (Horder Healthcare, United Kingdom)	08:00 - 08:00
218	<b>Knee bracing for unicompartmental osteoarthritis: a service evaluation</b> Samantha Watson-Smith (NHS, United Kingdom)	08:00 - 08:00
274	<b>Maintaining physical activity following multiple limb loss using a modified Halliwick Concept swimming teaching approach</b> Charlotte Isaac (Oxford University Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00
344	<b>Mini-MOVE: collaborating towards a better future for children with physical disability</b> Jo Wood (Aneurin Bevan University Health Board, United Kingdom)	08:00 - 08:00
210	<b>Moving matters: identifying physical activity and BMI levels in people with lower limb arthritis</b> Saukhayada Patil (Birmingham Community Healthcare NHS foundation Trust, United Kingdom)	08:00 - 08:00
559	<b>Nourish move connect thrive: promoting activity and improved health outcomes for older adults with dementia</b> Mary-Jane Boswell (St George's NHS Trust, United Kingdom)	08:00 - 08:00
554	<b>Strength in function: a service evaluation of the West 6 Protocol</b> Laura Bunce (Buckinghamshire Healthcare NHS Trust, United Kingdom)	08:00 - 08:00
197	<b>The impact and value of delivering supervised prehabilitation support to patients waiting joint replacement surgery</b> Alice Mayo (Swansea Bay University Health Board, United Kingdom)	08:00 - 08:00
477	<b>The introduction of a 'strong and steady' class for patients with recurrent falls</b> Stacey Grennell (UHCW, United Kingdom)	08:00 - 08:00
784	<b>A qualitative interpretive study exploring the coping strategies used to manage burnout among physiotherapists</b> Sristi Bhat (Cardiff University, United Kingdom)	08:00 - 08:00

611	<b>Advancing opioid deprescribing through collaboration between independent prescriber physiotherapists and pharmacists</b> Dawn Buoy (Body Rehab, United Kingdom)	08:00 - 08:00
652	<b>Case study: physiotherapy/AHP portfolio role within frailty</b> Maggie McDowell (Royal Surrey Foundation Trust, United Kingdom)	08:00 - 08:00
760	<b>Co-production for practice-based interprofessional learning: beyond saying "hello"</b> John Stephens (University of Sunderland, United Kingdom)	08:00 - 08:00
821	<b>Courageous leadership in leading the change: my clinical academic journey</b> J Rai (THE PCN, United Kingdom)	08:00 - 08:00
829	<b>Designing a workforce fit for the present and future: a public health-informed MSc-physiotherapy (pre-registration) programme</b> Dylan Powell (University of Stirling, United Kingdom)	08:00 - 08:00
671	<b>Developing leadership through experiential learning in an inpatient environment</b> Peace Okafor (Homerton Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
626	<b>Empowering future health professionals through digital champion placements: a pilot to tackle digital exclusion</b> Claire Stapleton (Keele University, United Kingdom)	08:00 - 08:00
729	<b>Exploring the need for physiotherapy in a low-medium secure Forensic Inpatient Unit</b> Natalie Seals (Humber Teaching NHS Foundation Trust, United Kingdom)	08:00 - 08:00
777	<b>Faculty development needs for facilitating interprofessional education: a nominal group technique study</b> Christopher Duncan (Glasgow Caledonian University, United Kingdom)	08:00 - 08:00
651	<b>FCP future workforce, lived experiences: using PREM's and viability of the somerset FCP workforce</b> Jodie Smith (Somerset NHS Foundation Trust, United Kingdom)	08:00 - 08:00
806	<b>General practitioners' perceptions of the first contact physiotherapist role in primary care: an online survey</b> Joseph Henson (Rotherham NHS Foundation Trust, United Kingdom)	08:00 - 08:00
827	<b>Leading with purpose: reflection on BESS copeland fellowship and vision for shoulder &amp; elbow services</b> J Rai (THE PCN, United Kingdom)	08:00 - 08:00
687	<b>Living with a tracheostomy - support available and patient experience</b> Cordy Gaubert (Bradford Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00
695	<b>Motivations for internationally qualified physiotherapists to study Masters' degrees in the United Kingdom</b> Amy Bendall (Cardiff University, United Kingdom)	08:00 - 08:00
659	<b>Multi-professional transferability of the safe learning environment charter</b> Laura Smith (NHS England, Workforce, Training & Education, United Kingdom)	08:00 - 08:00
831	<b>Physiotherapists perceptions in equality, diversity, and inclusivity within health care interventions</b> Thomas Murphy (University of Greater Manchester, United Kingdom)	08:00 - 08:00
719	<b>Physiotherapy students' experiences of undressing in practical skills sessions: a qualitative study</b> Isobel Heyes (Cardiff University, United Kingdom)	08:00 - 08:00

664	<b>Pilot study. An understanding of the 'preparedness' of physiotherapy graduates in Wales</b> Chris Bellis (Wrexham University, United Kingdom)	08:00 - 08:00
669	<b>Practice educators' readiness to facilitate interprofessional education on placements: a qualitative survey in Scotland</b> Tamsin Fitzgerald (Glasgow Caledonian University, United Kingdom)	08:00 - 08:00
701	<b>Practice-based learning in pre-registration physiotherapy programs: a scoping review</b> Tamsin Fitzgerald (Glasgow Caledonian University, United Kingdom)	08:00 - 08:00
775	<b>Professionalism centred physiotherapy</b> Yahweh Van Ram Sri (Teesside University, United Kingdom)	08:00 - 08:00
772	<b>Questioning active citizenship: a critical conversation</b> Jane Culpan (Queen Margaret University, United Kingdom)	08:00 - 08:00
800	<b>Time to reflect - can you be both a generalist and a specialist?</b> Nicola Dowdeswell (Post Graduate Medical Education, GHNHSFT, United Kingdom)	08:00 - 08:00
702	<b>Transforming neurodegenerative research: a reflective journey into the integration of physiotherapy in ENROLL-HD</b> Richie Paul Carreon (The Walton Centre NHS Foundation Trust, United Kingdom)	08:00 - 08:00
830	<b>Understanding AHP's Role in Public Health: A protocol to support the AHP Strategic Framework</b> Dylan Powell (University of Stirling, United Kingdom)	08:00 - 08:00
610	<b>Use of outcome measures by UK allied health professionals</b> Joshua Young (Sussex Community NHS Foundation Trust, United Kingdom)	08:00 - 08:00
307	<b>Allied Health Profession Research Capacity and Culture Survey</b> Helen Oakes (East Kent Hospitals University NHS Foundation Trust, United Kingdom)	08:00 - 08:00
447	<b>An investigation of the impact of practicing core cardiorespiratory skills on volunteer patients</b> Paul Moran (Robert Gordon University, United Kingdom)	08:00 - 08:00
452	<b>Challenging physiotherapy traditions: exploring the impact of interprofessional student placements in a care home setting</b> Deborah OConnor (Manchester Metropolitan University, United Kingdom)	08:00 - 08:00
314	<b>Current thinking in physiotherapy for the management of idiopathic and postsurgical temporomandibular disorders</b> Harriette Haig (Queen Elizabeth Hospital Birmingham, United Kingdom)	08:00 - 08:00
289	<b>Enhanced learning networks: training, celebration and a conference experience to support professional and placement success</b> Jamie Southern (University of Salford, United Kingdom)	08:00 - 08:00
57	<b>Enhancing workforce sustainability: critical incident reflection for newly qualified AHPs in complex patient case management</b> Modupe Bolarin (Whipps Cross Hospital- Barts Health NHS Trust, United Kingdom)	08:00 - 08:00
445	<b>Evaluating pre-registration physiotherapy students' understanding of professional standards before and after a simulation-based placement</b> Martha Batting (United Kingdom)	08:00 - 08:00
541	<b>Evaluation of a pilot CPD programme for physiotherapists in an independent healthcare organisation</b> Nina Flanigan (Nuffield Health, United Kingdom)	08:00 - 08:00
546	<b>Evaluation of clinical reasoning training for serious spinal</b>	08:00 - 08:00

	<b>pathologies in MSK physiotherapists in independent healthcare</b> Nina Flanigan (Nuffield Health, United Kingdom)	
78	<b>Implementing a point of care ultrasound clinic within a first contact practitioner service</b> Michael McMahon (Guy's & St Thomas NHS Foundation Trust, United Kingdom)	08:00 - 08:00
322	<b>Research protocol: a comparative case study to evaluate the non-medical and medical consultant roles</b> Laura Ellis Lane (Betsi Cadwaladr University Health Board, United Kingdom)	08:00 - 08:00
368	<b>Student physiotherapist's perceptions of importance, and preparedness for utilising "strength and conditioning" principles in practice</b> Karl Pryor (Teesside University, United Kingdom)	08:00 - 08:00
422	<b>Students progression of clinical reasoning, confidence and acceptability of a modified MSK placement</b> Louise Stanley (Health Sciences University, United Kingdom)	08:00 - 08:00
408	<b>'What makes a good neuro physio?' - Developing competencies for neurological physiotherapy: a Delphi study</b> Gary Morris (Cardiff University, United Kingdom)	08:00 - 08:00
475	<b>Workforce planning insights from physiotherapy leaders</b> Calum Higgins (Chartered Society of Physiotherapy, United Kingdom)	08:00 - 08:00
60	<b>Do musculoskeletal first contact practitioner referrals meet advanced practice physiotherapists' expectations?</b> Oliver Ward (Doncaster & Bassetlaw Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00

209	<b>Identifying key initial musculoskeletal assessment appointment non-clinical information: a service evaluation with patients and physiotherapists</b> Gemma Plowright (Birmingham Community Healthcare NHS Trust, United Kingdom)	08:10 - 08:10
434	<b>Improve the utilization of tele-health appointments in the Royal Free MSK department</b> Roisin O'Neill (Royal Free Trust, United Kingdom)	08:10 - 08:10

572	<b>Integrating research into a Community Musculoskeletal Service</b> Hayley Alderton (Berkshire Healthcare NHS Foundation Trust, United Kingdom)	08:10 - 08:10
366	<b>Interprofessional simulation for newly qualified allied health professionals - participation evaluation</b> Barry Johnstone (NHS Greater Glasgow and Clyde, United Kingdom)	08:10 - 08:10
529	<b>Introducing consultant physiotherapy posts to MSK AHP clinical services</b> Tom Wilkins (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
414	<b>Learning verbs: bridging the gap between university pedagogy and clinical placement</b> Adrian Sweeney (University of East Anglia, United Kingdom)	08:10 - 08:10
461	<b>Non-medical prescribing (NMP) introduction and impact within an MSK back clinic</b> Gareth Marlow (Guys and St Thomas' Foundation Trust, United Kingdom)	08:10 - 08:10
312	<b>Nurse and physiotherapy student experiences of a practice-based inter-professional learning activity</b> Amy Souster (University of Plymouth, United Kingdom)	08:10 - 08:10
502	<b>Physiotherapist (level 6) apprenticeships in an independent healthcare organisation - a programme evaluation</b> Chris Davis (Nuffield Health, United Kingdom)	08:10 - 08:10
557	<b>Practice educators' experiences of supporting physiotherapy students on practice-based learning in the independent sector</b> Chris Davis (Nuffield Health, United Kingdom)	08:10 - 08:10
258	<b>Representing physiotherapy in a new role of Digital Clinical Educator</b> Charlotte Beardsworth (Sheffield Teaching Hospitals Foundation Trust, United Kingdom)	08:10 - 08:10
441	<b>Retrospective audit analyses foot and ankle referrals into Community Musculoskeletal service without biomechanical podiatry service</b> Helena Meally (University Hospitals Birmingham NHS Foundation Trust, United Kingdom)	08:10 - 08:10
469	<b>Shaping pre-registration physiotherapy education together: student's experience of co-creation</b> Christopher Duncan (Glasgow Caledonian University, United Kingdom)	08:10 - 08:10
400	<b>Space audit: review post reconfiguration at the stroke rehabilitation unit</b> Sarah Crowley (Aneurin Bevan University Health Board, United Kingdom)	08:10 - 08:10
421	<b>Taking a strategic approach to align and guide direction of MSK AHP Clinical Services</b> Tom Wilkins (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
419	<b>The Common Placement Assessment Form 2024</b> Jennifer Straker (Chartered Society of Physiotherapy, United Kingdom)	08:10 - 08:10
431	<b>The impact of structured induction programmes for rotational band 5s in an integrated MSK service</b> Rachel Dillon (MWL NHS Trust, United Kingdom)	08:10 - 08:10
375	<b>The integration of internationally recruited therapists at the James Paget University Hospital: a staff survey</b> Princess Woods (James Paget University Hospital, United Kingdom)	08:10 - 08:10
487	<b>The role of non-clinical research placements in physiotherapy education</b> Louise Howe (University of Lincoln, United Kingdom)	08:10 - 08:10

737	<b>Effect of aerobic exercise on physical activity, cardiorespiratory fitness, and quality of life in Long-COVID</b> Olusola Oni (Buckinghamshire New University, High Wycombe, United Kingdom)	08:10 - 08:10
709	<b>An evaluation of early years referrals to a community paediatric physiotherapy service</b> Ashleigh Peliza (The Newcastle Upon Tyne Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
810	<b>Are our musculoskeletal services meeting the needs of our communities in 2025?</b> Katie Clough (ISLE OF WIGHT NHS, United Kingdom)	08:10 - 08:10
751	<b>Assessment of physical activity and quality of life in individuals with Long COVID</b> Olusola Oni (Buckinghamshire New University, High Wycombe, United Kingdom)	08:10 - 08:10
744	<b>Collaborative MDT rehabilitation of unilateral agenesis of upper trapezius and sternocleidomastoid; a case study presentation</b> Karen Evans (Hampshire and Isle of Wight Healthcare NHS Foundation trust, United Kingdom)	08:10 - 08:10
736	<b>MCID of the 6MWT at 3 months following LSS surgery</b> Abi Beddard (Kings College Hospital NHS Foundation Trust, United Kingdom)	08:10 - 08:10
707	<b>Mobility as predictor for in-hospital outcomes in older adults in acute settings: a scoping review</b> Catherine Wharfe (University of Portsmouth, United Kingdom)	08:10 - 08:10
748	<b>Pain neuroscience education for chronic low back pain: a review of evidence-based outcomes</b> Leo Rathinaraj Antony Soundararajan (Buckinghamshire New University, United Kingdom)	08:10 - 08:10
734	<b>Psychosocial and economic challenges of primary carers of children with cerebral palsy in Enugu, Nigeria</b> Mark Chigozie Odom (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
693	<b>Rehabilitation for adults with lower limb trauma treated by external fixation: a retrospective service evaluation</b> Lydia Heins (Imperial College Healthcare NHS Trust, United Kingdom)	08:10 - 08:10
762	<b>Rehabilitation is essential for in-patients on acute medical wards to maintain their functional mobility</b> Okechukwu Nwafor (James Paget University Hospital, United Kingdom)	08:10 - 08:10
689	<b>Study evaluating acute dysfunction in posture and balance post critical illness: a feasibility study</b> Ying Tiffany Law (Imperial College Healthcare NHS Trust, United Kingdom)	08:10 - 08:10
770	<b>Survey of current physiotherapy practice in adults surviving with primary brain tumours in the UK</b> Khai Seng Cheng (Nottingham University Hospitals NHS Trust, United Kingdom)	08:10 - 08:10
782	<b>The Oxford Shoulder Score (OSS) for Gujarati speaking people in India: a psychometric evaluation</b> Rahul Chhatlani (Shree Aryatej Institute of Physiotherapy, India)	08:10 - 08:10
721	<b>The unseen symptom: a longitudinal qualitative interview study exploring mobility loss in advanced cancer</b> Carmine Petraso (King's College London, United Kingdom)	08:10 - 08:10
805	<b>Vigilance in identifying acute, chronic and acute-onset chronic inflammatory demyelinating polyneuropathies</b> Yahweh Van Ram Sri (Teesside University, United Kingdom)	08:10 - 08:10
297	<b>A systematic review of managing individuals with Breathing Pattern Disorder (BPD): an evolving diagnostic framework</b> Lois Roberts (Betsi Cadwaladr Health Board, United Kingdom)	08:10 - 08:10

280	<b>An integrated education and exercise programme for Tamil people with osteoarthritis knee in India</b> Malarvizhi D (SRM Institute of Science and Technology, India)	08:10 - 08:10
330	<b>Assessing patient-reported outcomes for upper limb conditions in Tamil Nadu: a mixed-methods study</b> Vinitha Arasu (SRM Institute of Science and Technology, India)	08:10 - 08:10
300	<b>Co-designing the inflammatory arthritis self-Management (aiM) intervention</b> Donna Wynne (Robert Gordon University, United Kingdom)	08:10 - 08:10
439	<b>Exploring person-centred physiotherapy practice within the context of Huntington's Disease, UK (protocol)</b> Lorraine Barry (Edinburgh Napier University, United Kingdom)	08:10 - 08:10
433	<b>Physiotherapist-led weight management for people with osteoarthritis: a scoping review</b> Ben Steele-Turner (University of Portsmouth, United Kingdom)	08:10 - 08:10
348	<b>Prehabilitation for lumbar spinal stenosis: understanding mechanisms and contexts for enhanced engagement: a realist review</b> Rebecca Hunter (Northumbria University Newcastle, United Kingdom)	08:10 - 08:10
198	<b>Reframing rehabilitation of proximal humeral fractures in older adults through early functional use: A narrative review</b> Jia Hui Gan (Epsom and St Helier University Hospitals NHS Trust, United Kingdom)	08:10 - 08:10
101	<b>TAPER-intervention: Translating Activity Pacing resources for primary care to support the management of chronic pain</b> Deborah Antcliff (Northern Care Alliance NHS Foundation Trust, United Kingdom)	08:10 - 08:10
564	<b>Which outcomes are important to patients after total knee replacement? A discrete choice experiment protocol</b> Philippa Nicolson (The University of Oxford, United Kingdom)	08:10 - 08:10
578	<b>24-hour movement behaviour support for people living with multiple long-term conditions and frailty: qualitative study</b> Hannah Young (University of Leicester and University Hospitals of Leicester NHS Trust, United Kingdom)	08:10 - 08:10
351	<b>A qualitative evaluation exploring the experience of people with fibromyalgia participating in a rehabilitation pathway</b> Paula Dixon (Mersey Care NHS Foundation Trust, United Kingdom)	08:10 - 08:10
567	<b>Communication about aids / adaptations to activities of daily living in occupational therapy and physiotherapy</b> Ruth Parry (Treetops Hospice, United Kingdom)	08:10 - 08:10
365	<b>Exploring the experience of people with shoulder osteoarthritis and their perceptions of non-surgical management</b> Stacey Lalande (Airedale NHS Foundation Trust, United Kingdom)	08:10 - 08:10
62	<b>Integration of an innovative leg strengthening device 'S-Press' into physiotherapy rehabilitation practice, a qualitative examination</b> Jen Turner (JTRehab, United Kingdom)	08:10 - 08:10
553	<b>Is the autonomic muscular and neural basis factored in incontinence physiotherapy assessments and treatments?</b> Hope Gangata (University of Exeter, United Kingdom)	08:10 - 08:10
560	<b>Knowledge, attitudes, and practices regarding pelvic floor muscle training in undergraduate physiotherapy students</b> Veena Raigangar (University of Brighton, United Kingdom)	08:10 - 08:10
513	<b>Patient and staff experiences of a Musculoskeletal Community</b>	08:10 - 08:10

	<b>Appointment Day: a qualitative evaluation</b>	
	Simon Ingram (Somerset NHS Foundation Trust, United Kingdom)	
275	<b>Post-traumatic elbow stiffness: a survey of current UK physiotherapy practice</b>	08:10 - 08:10
	Georgina Wistow (Oxford University Hospitals NHS Foundation Trust, United Kingdom)	
407	<b>Stakeholder experience of rehabilitation for adults with complex fractures following traumatic injury: qualitative interview study</b>	08:10 - 08:10
	Lucy Silvester (University Hospitals Coventry and Warwickshire NHS Trust, United Kingdom)	
492	<b>What are physiotherapy students' experiences of Simulation-Based Learning? A systematic review</b>	08:10 - 08:10
	Libbi Percival (University of East Anglia, United Kingdom)	
217	<b>'Young adults' experiences of rehabilitation following Peri-Acetabular Osteotomy surgery in the UK</b>	08:10 - 08:10
	Natalie Sharratt (Nottingham University NHS Trust, United Kingdom)	
45	<b>Behaviour change interventions and techniques that improve exercise adherence in adults with non-specific neck pain</b>	08:10 - 08:10
	Johnathan Preddy (Cardiff and Vale University Health Board, United Kingdom)	
221	<b>Did physiotherapists deliver the OsteoPorosis Tailored exercise adherence Intervention (OPTIN) for VFF as planned?</b>	08:10 - 08:10
	Carlos Barreto (Oxford University Hospitals NHS Trust, United Kingdom)	
516	<b>Effect of mirror therapy on upper extremity function in stroke survivors: overview of systematic reviews</b>	08:10 - 08:10
	Umar Muhammad Bello (Glasgow Caledonian University, United Kingdom)	
130	<b>Effectiveness of early weight bearing and mobilisation in post-operative ORIF patients: a systematic review</b>	08:10 - 08:10
	Aaron Sparrowhawk (University of Chichester, United Kingdom)	
349	<b>Effectiveness of physiotherapy interventions for the treatment of chronic pelvic pain in women: a meta-analysis</b>	08:10 - 08:10
	Priya Kannan (The Hong Kong Polytechnic University, Hong Kong)	
488	<b>Functional mobility assessment in individuals with early- and late-onset visual impairment using an Android device</b>	08:10 - 08:10
	Trinidad Bruna Melo (Universitat de València, Spain)	
87	<b>Hamstrings-quadiceps ratio and outcome measures of mobility and balance among stroke survivors</b>	08:10 - 08:10
	Nonso Asouzu (KMPT, United Kingdom)	
470	<b>How collaborative is healthcare for people with musculoskeletal-related conditions? A survey of patients and clinicians</b>	08:10 - 08:10
	James Roberts (University of Essex, United Kingdom)	
527	<b>Measurement of electromyographic activities of the hamstrings and quadriceps muscles during the nordic hamstring exercise</b>	08:10 - 08:10
	Oluwabusayomi Arole (North Middlesex University Hospital, United Kingdom)	
192	<b>Measuring lactate in healthy participants during everyday activity - a feasibility study</b>	08:10 - 08:10
	Nicola Clague-Baker (University of Liverpool, United Kingdom)	
100	<b>Non-pharmacological rehabilitation interventions for adults with musculoskeletal conditions and mental distress: a systematic scoping review</b>	08:10 - 08:10
	Rokhsaneh Tehrani (Royal National Orthopaedic Hospital, United Kingdom)	
519	<b>Psychological factors related to functional outcomes following total hip or knee arthroplasty: an umbrella review</b>	08:10 - 08:10

	Stéphane Poitras (University of Ottawa, Canada)	
372	<b>Shoulder osteoarthritis: a survey of current (2024) UK physiotherapy practice</b> Stacey Lalande (Airedale NHS Foundation Trust, United Kingdom)	08:10 - 08:10

	Lucy Silvester (University Hospitals Coventry and Warwickshire NHS Trust, United Kingdom)	
	<b>Q&amp;A</b>	10:45 - 10:50

*Workshop*

09:50 - 10:50

**Masterclass in Exercise Prescription: Beyond 3 sets of 10**

Greg Littler (Chartered Society of Physiotherapy, United Kingdom)

Colin Paterson (ACPSEM/Brighton University, United Kingdom)

Sian Knott (Cardiff University, United Kingdom)

Mark Matthews (Ulster University, United Kingdom)

Nicola Phillips (Cardiff University, United Kingdom)

*Workshop*

09:50 - 10:50

**Effective practice education in a challenging workforce world**

Cassie Hayes (Chartered Society of Physiotherapy, United Kingdom)

Aled Williams (Cardiff University, United Kingdom)

Jonathon Duffin (University of South Wales, United Kingdom)

Michael Gara (Cardiff University, United Kingdom)

Holly Spencer (Cardiff University, United Kingdom)

*Symposium*

09:50 - 10:50

**People living with cardio-kidney-metabolic conditions can benefit from physiotherapy-led rehabilitation**

Helen Sharma (Chartered Society of Physiotherapy, United Kingdom)

Siobhan Freeman (King's College Hospital, United Kingdom)

Hannah Young (University of Leicester and University Hospitals of Leicester NHS Trust, United Kingdom)

Christy Walklin (Kings College Hospital NHS Trust, United Kingdom)

Juliet Briggs (King's College Hospital NHS Foundation Trust, United Kingdom)

*Workshop*

09:50 - 10:50

**Meet the workforce Influencing Stars!**

Mindy Dalloway (CSP, United Kingdom)

John Cowman (Chartered Society of Physiotherapy, United Kingdom)

Sara Bolton (NHS England South East, United Kingdom)

Ashila Bhutia (NHSE, United Kingdom)

Anne Canby (East Sussex Healthcare Trust, United Kingdom)

Sushant Jeurkar (Major Trauma Network, United Kingdom)

*Abstracts*

10:20 - 10:50

R1

**X Abstract presentations**

Ruth ten Hove (Chartered Society of Physiotherapy, United Kingdom)

117

**A symphony of good sense: a toolkit for physiotherapists new to working with orchestral musicians**

10:20 - 10:25

Sarah Upjohn (Royal Liverpool Philharmonic, United Kingdom)

427

**The key role of specialist occupational physiotherapy to support a healthy, resilient and engaged workforce**

10:25 - 10:30

Lina Chauhan (BT Group plc, United Kingdom)

649

**Exploring attitudes and beliefs to physical activity and fitness testing in emergency ambulance personnel**

10:30 - 10:35

Andrew Condon (Herefordshire and Worcestershire Health and Care Trust, United Kingdom)

**Q&A**

10:35 - 10:45

*Networking*

10:50 - 11:15

R4

**Exhibition & poster viewing**

*Spotlight*

11:15 - 11:20

**X Physiotherapy Benevolent Fund**

Lawrence Owers (The Physiotherapy Benevolent Fund, United Kingdom)

*Keynote*

11:20 - 12:00

R4

**CSP Founders' Lecture 2025: Context Sovereignty: A Framework for Professional Development With AI**

John Cowman (Chartered Society of Physiotherapy, United Kingdom)

Michael Rowe (University of Lincoln, United Kingdom)

*Awards*

12:00 - 12:15

R4

**CSP Professional Awards 2025**

Sylvia Wojciechowski (Chartered Society of Physiotherapy, United Kingdom)

*Networking*

12:20 - 13:20

R5

**Lunch & poster viewing***Workshop*

13:05 - 14:05

**Demystifying respiratory on-calls, facilitated by the ACPRC (respiratory professional network)**

Carol Montgomery (Lewisham and Greenwich NHS trust, United Kingdom)

Jen Balls (The Royal Brompton Hospital, United Kingdom)

Clair Martin (University hospitals Leicester, United Kingdom)

Laura Mylott (Royal Brompton Hospital, Guy's and St Thomas' NHS Foundation Trust, United Kingdom)

*Workshop*

13:05 - 14:05

**Pelvic Health and Ergonomics in the Workplace**

Reena Patel (Chartered Society of Physiotherapy, United Kingdom)

Lasse Flosand (ACPOHE, United Kingdom)

Christien Bird (White Hart Clinic &amp; Menopause Movement, United Kingdom)

*Networking*

13:05 - 13:35

**Engage and elevate: Physiotherapy support workers**

Claire Sullivan (Chartered Society of Physiotherapy, United Kingdom)

Becca Bambridge (Southmead Hospital, United Kingdom)

Anjali Midha (Birmingham Community Healthcare NHS Foundation Trust, United Kingdom)

*Networking*

13:05 - 13:35

**Implementation of new weight bearing terminology BOAST - how?**

Manessa Faal (Chartered Society of Physiotherapy, United Kingdom)

Katrina Mitchell (Hampshire and Isle of Wight Healthcare NHS Foundation Trust (HOIWH), United Kingdom)

Alex Trompeter (St George's University of London, United Kingdom)

*Keynote*

13:20 - 13:50

R4

**Physiotherapy & physical activity: a view through both ends of the telescope**

Anna Lowe (Sheffield Hallam University, United Kingdom)

08:00 - 09:00

R4

**Exhibition & poster viewing***Networking*

08:00 - 15:30

R5

**Exhibition viewing & poster presentations**

697	<b>Addressing frailty in primary care: a first contact physiotherapy-led intervention pilot</b> Conor Smyth (South Eastern HSC, United Kingdom)	08:00 - 08:00
825	<b>Attitudes towards physical health promotion for disease prevention among urban Sri Lankan school teachers</b> Minneripitige Ayodhya Karunaratne (University of Bedfordshire, United Kingdom)	08:00 - 08:00
661	<b>BACKFIT: evaluating the impact of combined functional rehabilitation and virtual education in low back pain</b> Lynne Dewar (Salford Care Organisation / NCA, United Kingdom)	08:00 - 08:00
832	<b>Development of patient information leaflet for aftercare following steroid injection - society of musculoskeletal medicine (SOMM)</b> Sharon Braddock (Society of Musculoskeletal Medicine, United Kingdom)	08:00 - 08:00
745	<b>Does attending an MSK Health Hub increase participants activity levels? A service evaluation and exploration</b> Karen Evans (Hampshire and Isle of Wight Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
811	<b>Early implementation of employment support integration in NHS MSK pathways to address regional health inequities</b> Diane Reid (Manchester University NHS Foundation Trust, United Kingdom)	08:00 - 08:00
773	<b>Enhancing patient health through 24-hour movement behaviours: research and HCP education enhancing knowledge and confidence</b>	08:00 - 08:00
776	<b>Evaluating the effect of Mindful Movement classes on self-efficacy in adults living with chronic pain</b> Dominique Erleigh (Kent Community Health NHS Foundation Trust, United Kingdom)	08:00 - 08:00
676	<b>Health service access for ethnic minority groups: a scoping review of complex interventions</b> Jessica Pawson (Queen Mary University of London, United Kingdom)	08:00 - 08:00
795	<b>Healthcare to the people: changing our position in practice</b> Oliver Nightingale (Health Valued Ltd, United Kingdom)	08:00 - 08:00
727	<b>Test-retest reliability and agreement between a fixed frame and belt-stabilised handheld dynamometer, in recreational cyclists</b> Dion D'Mello (Remedy- Health and Performance, United Kingdom)	08:00 - 08:00
139	<b>A service evaluation reviewing the MSK First Contact Practitioner role and GPs' understanding and perceptions</b> Laura McCool (Guys and St Thomas Hospital, United Kingdom)	08:00 - 08:00
476	<b>Active working lives: supporting the health and well-being of NHS staff through a workplace gym</b> Lisa Roberts (University of Southampton, United Kingdom)	08:00 - 08:00
252	<b>Do outpatient physiotherapists consider a women's stage of life during their care? A mixed-methods survey</b> Sophie Prudence (Imperial College Healthcare NHS Trust, United Kingdom)	08:00 - 08:00

257	<b>'Lift for Life' - feasibility of a resistance training programme for higher functioning older adults</b> James Cameron (Guy's and St. Thomas' NHS Foundation Trust, United Kingdom)	08:00 - 08:00
262	<b>Optimising self-management interventions for people experiencing socioeconomic disadvantage: learning from an osteoarthritis peer mentorship project</b> Anna Anderson (University of Leeds, United Kingdom)	08:00 - 08:00
245	<b>Proactive physiotherapy: an innovative approach to reduce sickness absence and presenteeism within the NHS workforce</b> Catherine Stanton (Gloucestershire Health and Care NHS Foundation Trust, United Kingdom)	08:00 - 08:00
326	<b>What is the role of physiotherapy in the management of menopause in the workplace?</b> Helen Tutton (Sheffield Hallam University, United Kingdom)	08:00 - 08:00
256	<b>Awareness and practice of physical activity and dietary control as preventive measures for cardiovascular diseases</b> Mark Chigozie Odom (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00
430	<b>Effectiveness of 24-hour postural care interventions for people with profound intellectual disabilities: a scoping review</b> Sarah Ballard (Coventry and Warwickshire Partnership NHS Trust, United Kingdom)	08:00 - 08:00
383	<b>Enhancing physical rehabilitation in osteoarthritis: the role of mental health-focused interventions - a scoping review</b> Sophie Willis (University of Lincoln, United Kingdom)	08:00 - 08:00
555	<b>Exploring perspectives of people with stroke living in the community about sedentary behaviour</b> Timothy Ishaku (Buckinghamshire New University, United Kingdom)	08:00 - 08:00
242	<b>How does exercise act as non-pharmacological management of long term health conditions</b> Jesal Patel (Ashford and St Peters NHS Foundation trust, United Kingdom)	08:00 - 08:00
525	<b>Cost-effectiveness of self-administered dual-task training preventing falls in community-residing older adults: multi-center randomized control trial</b> Mohammad Jobair Khan (The Hong Kong Polytechnic University, China)	08:00 - 08:00
436	<b>Physical activity behaviour after stroke: exploring movement behaviour patterns in a cross-sectional analysis</b> Sarah Paterson (Oxford Brookes University, United Kingdom)	08:00 - 08:00
216	<b>A service evaluation involving a non-traumatic rotator cuff exercise class</b> Jeehan Lynch (Hampshire and IOW Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
82	<b>A service evaluation of the First Contact Physiotherapy service in CTMUHB</b> Jessica Thomas (Cwm Taf Morgannwg University Health Board, United Kingdom)	08:00 - 08:00
26	<b>Blood flow restriction training for intractable patellar-femoral joint pain. A service development</b> Eve Stringer (CTMUHB, United Kingdom)	08:00 - 08:00
239	<b>Can aquatic physiotherapy empower us to keep swimming?</b> Joanne Harvey (Hampshire and Isle of Wight Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
124	<b>Case report on a Churchill Fellowship Project investigating innovative approaches to dementia care internationally</b> Mary-Jane Boswell (St George's NHS Trust, United Kingdom)	08:00 - 08:00
269	<b>Case report: 6-week "Healthier Lifestyles Class" reduces metabolic</b>	08:00 - 08:00

	<b>and cardiovascular risk in office workers</b> Alan Gooding (Nuffield Health, United Kingdom)	
491	<b>Diet and exercise education group for improving confidence in breathlessness management in severe asthma patients</b> Bobby Kemp (St Bartholomew's Hospital, United Kingdom)	08:00 - 08:00
386	<b>Encouraging an active workforce in a healthcare setting: a quality improvement project</b> Stephanie Oakley (Horder Healthcare, United Kingdom)	08:00 - 08:00
332	<b>Enhancing group exercise delivery for musculoskeletal patients: addressing barriers and promoting long-term adherence to exercise</b> Harvikramjit Singh Sodhi (University Hospital of Leicester, United Kingdom)	08:00 - 08:00
149	<b>Evaluation of a 4-month pilot paediatric physiotherapy back care group</b> Caroline Webster (University Hospital Southampton, United Kingdom)	08:00 - 08:00
388	<b>Evaluation of the use of wellbeing templates to support student wellbeing during physiotherapy practice placements</b> Kelly Walker (University of East Anglia, United Kingdom)	08:00 - 08:00
346	<b>Exercise and physical activity after stoma surgery: EXPASS recommendations</b> Kerry Archer (Harrogate and District NHS Foundation Trust, United Kingdom)	08:00 - 08:00
204	<b>Good work is good for health: tackling economic inactivity to reduce health inequality</b> Philippa Norris (Manchester Foundation NHS Trust, United Kingdom)	08:00 - 08:00
451	<b>Implementing physical activity campaigns for staff in a healthcare setting: a quality improvement project</b> Anne-Marie Pier (Horder Healthcare, United Kingdom)	08:00 - 08:00
218	<b>Knee bracing for unicompartmental osteoarthritis: a service evaluation</b> Samantha Watson-Smith (NHS, United Kingdom)	08:00 - 08:00
274	<b>Maintaining physical activity following multiple limb loss using a modified Halliwick Concept swimming teaching approach</b> Charlotte Isaac (Oxford University Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00
344	<b>Mini-MOVE: collaborating towards a better future for children with physical disability</b> Jo Wood (Aneurin Bevan University Health Board, United Kingdom)	08:00 - 08:00
210	<b>Moving matters: identifying physical activity and BMI levels in people with lower limb arthritis</b> Saukhayada Patil (Birmingham Community Healthcare NHS foundation Trust, United Kingdom)	08:00 - 08:00
559	<b>Nourish move connect thrive: promoting activity and improved health outcomes for older adults with dementia</b> Mary-Jane Boswell (St George's NHS Trust, United Kingdom)	08:00 - 08:00
554	<b>Strength in function: a service evaluation of the West 6 Protocol</b> Laura Bunce (Buckinghamshire Healthcare NHS Trust, United Kingdom)	08:00 - 08:00
197	<b>The impact and value of delivering supervised prehabilitation support to patients waiting joint replacement surgery</b> Alice Mayo (Swansea Bay University Health Board, United Kingdom)	08:00 - 08:00
477	<b>The introduction of a 'strong and steady' class for patients with recurrent falls</b> Stacey Grennell (UHCW, United Kingdom)	08:00 - 08:00

784	<b>A qualitative interpretive study exploring the coping strategies used to manage burnout among physiotherapists</b> Sristi Bhat (Cardiff University, United Kingdom)	08:00 - 08:00
611	<b>Advancing opioid deprescribing through collaboration between independent prescriber physiotherapists and pharmacists</b> Dawn Buoy (Body Rehab, United Kingdom)	08:00 - 08:00
652	<b>Case study: physiotherapy/AHP portfolio role within frailty</b> Maggie McDowell (Royal Surrey Foundation Trust, United Kingdom)	08:00 - 08:00
760	<b>Co-production for practice-based interprofessional learning: beyond saying "hello"</b> John Stephens (University of Sunderland, United Kingdom)	08:00 - 08:00
821	<b>Courageous leadership in leading the change: my clinical academic journey</b> J Rai (THE PCN, United Kingdom)	08:00 - 08:00
829	<b>Designing a workforce fit for the present and future: a public health-informed MSc-physiotherapy (pre-registration) programme</b> Dylan Powell (University of Stirling, United Kingdom)	08:00 - 08:00
671	<b>Developing leadership through experiential learning in an inpatient environment</b> Peace Okafor (Homerton Healthcare NHS Foundation Trust, United Kingdom)	08:00 - 08:00
626	<b>Empowering future health professionals through digital champion placements: a pilot to tackle digital exclusion</b> Claire Stapleton (Keele University, United Kingdom)	08:00 - 08:00
729	<b>Exploring the need for physiotherapy in a low-medium secure Forensic Inpatient Unit</b> Natalie Seals (Humber Teaching NHS Foundation Trust, United Kingdom)	08:00 - 08:00
777	<b>Faculty development needs for facilitating interprofessional education: a nominal group technique study</b> Christopher Duncan (Glasgow Caledonian University, United Kingdom)	08:00 - 08:00
651	<b>FCP future workforce, lived experiences: using PREM's and viability of the somerset FCP workforce</b> Jodie Smith (Somerset NHS Foundation Trust, United Kingdom)	08:00 - 08:00
806	<b>General practitioners' perceptions of the first contact physiotherapist role in primary care: an online survey</b> Joseph Henson (Rotherham NHS Foundation Trust, United Kingdom)	08:00 - 08:00
827	<b>Leading with purpose: reflection on BESS copeland fellowship and vision for shoulder &amp; elbow services</b> J Rai (THE PCN, United Kingdom)	08:00 - 08:00
687	<b>Living with a tracheostomy - support available and patient experience</b> Cordy Gaubert (Bradford Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00
695	<b>Motivations for internationally qualified physiotherapists to study Masters' degrees in the United Kingdom</b> Amy Bendall (Cardiff University, United Kingdom)	08:00 - 08:00
659	<b>Multi-professional transferability of the safe learning environment charter</b> Laura Smith (NHS England, Workforce, Training & Education, United Kingdom)	08:00 - 08:00
831	<b>Physiotherapists perceptions in equality, diversity, and inclusivity within health care interventions</b> Thomas Murphy (University of Greater Manchester, United Kingdom)	08:00 - 08:00

719	<b>Physiotherapy students' experiences of undressing in practical skills sessions: a qualitative study</b> Isobel Heyes (Cardiff University, United Kingdom)	08:00 - 08:00
664	<b>Pilot study. An understanding of the 'preparedness' of physiotherapy graduates in Wales</b> Chris Bellis (Wrexham University, United Kingdom)	08:00 - 08:00
669	<b>Practice educators' readiness to facilitate interprofessional education on placements: a qualitative survey in Scotland</b> Tamsin Fitzgerald (Glasgow Caledonian University, United Kingdom)	08:00 - 08:00
701	<b>Practice-based learning in pre-registration physiotherapy programs: a scoping review</b> Tamsin Fitzgerald (Glasgow Caledonian University, United Kingdom)	08:00 - 08:00
775	<b>Professionalism centred physiotherapy</b> Yahweh Van Ram Sri (Teesside University, United Kingdom)	08:00 - 08:00
772	<b>Questioning active citizenship: a critical conversation</b> Jane Culpan (Queen Margaret University, United Kingdom)	08:00 - 08:00
800	<b>Time to reflect - can you be both a generalist and a specialist?</b> Nicola Dowdeswell (Post Graduate Medical Education, GHNHSFT, United Kingdom)	08:00 - 08:00
702	<b>Transforming neurodegenerative research: a reflective journey into the integration of physiotherapy in ENROLL-HD</b> Richie Paul Carreon (The Walton Centre NHS Foundation Trust, United Kingdom)	08:00 - 08:00
830	<b>Understanding AHP's Role in Public Health: A protocol to support the AHP Strategic Framework</b> Dylan Powell (University of Stirling, United Kingdom)	08:00 - 08:00
610	<b>Use of outcome measures by UK allied health professionals</b> Joshua Young (Sussex Community NHS Foundation Trust, United Kingdom)	08:00 - 08:00
307	<b>Allied Health Profession Research Capacity and Culture Survey</b> Helen Oakes (East Kent Hospitals University NHS Foundation Trust, United Kingdom)	08:00 - 08:00
447	<b>An investigation of the impact of practicing core cardiorespiratory skills on volunteer patients</b> Paul Moran (Robert Gordon University, United Kingdom)	08:00 - 08:00
452	<b>Challenging physiotherapy traditions: exploring the impact of interprofessional student placements in a care home setting</b> Deborah OConnor (Manchester Metropolitan University, United Kingdom)	08:00 - 08:00
314	<b>Current thinking in physiotherapy for the management of idiopathic and postsurgical temporomandibular disorders</b> Harriette Haig (Queen Elizabeth Hospital Birmingham, United Kingdom)	08:00 - 08:00
289	<b>Enhanced learning networks: training, celebration and a conference experience to support professional and placement success</b> Jamie Southern (University of Salford, United Kingdom)	08:00 - 08:00
57	<b>Enhancing workforce sustainability: critical incident reflection for newly qualified AHPs in complex patient case management</b> Modupe Bolarin (Whipps Cross Hospital- Barts Health NHS Trust, United Kingdom)	08:00 - 08:00
445	<b>Evaluating pre-registration physiotherapy students' understanding of professional standards before and after a simulation-based placement</b> Martha Batting (United Kingdom)	08:00 - 08:00
541	<b>Evaluation of a pilot CPD programme for physiotherapists in an</b>	08:00 - 08:00

	<b>independent healthcare organisation</b> Nina Flanigan (Nuffield Health, United Kingdom)	
546	<b>Evaluation of clinical reasoning training for serious spinal pathologies in MSK physiotherapists in independent healthcare</b> Nina Flanigan (Nuffield Health, United Kingdom)	08:00 - 08:00
78	<b>Implementing a point of care ultrasound clinic within a first contact practitioner service</b> Michael McMahon (Guy's & St Thomas NHS Foundation Trust, United Kingdom)	08:00 - 08:00
322	<b>Research protocol: a comparative case study to evaluate the non-medical and medical consultant roles</b> Laura Ellis Lane (Betsi Cadwaladr University Health Board, United Kingdom)	08:00 - 08:00
368	<b>Student physiotherapist's perceptions of importance, and preparedness for utilising "strength and conditioning" principles in practice</b> Karl Pryor (Teesside University, United Kingdom)	08:00 - 08:00
422	<b>Students progression of clinical reasoning, confidence and acceptability of a modified MSK placement</b> Louise Stanley (Health Sciences University, United Kingdom)	08:00 - 08:00
408	<b>'What makes a good neuro physio?' - Developing competencies for neurological physiotherapy: a Delphi study</b> Gary Morris (Cardiff University, United Kingdom)	08:00 - 08:00
475	<b>Workforce planning insights from physiotherapy leaders</b> Calum Higgins (Chartered Society of Physiotherapy, United Kingdom)	08:00 - 08:00
60	<b>Do musculoskeletal first contact practitioner referrals meet advanced practice physiotherapists' expectations?</b> Oliver Ward (Doncaster & Bassetlaw Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:00 - 08:00
495	<b>Exploration of participant experiences of a student-led exercise group for acquired brain injury: qualitative study</b> Paul Moran (Robert Gordon University, United Kingdom)	08:00 - 08:00
190	<b>Exploring the impacts of physiotherapist-prescribed home exercise plans for people with chronic pain</b> Phoebe Emily Wilson (North Cumbria Integrated Care, United Kingdom)	08:00 - 08:00
569	<b>Exploring the perceived management priorities between physiotherapy and osteopathy for chronic low back pain</b> Mollie Ford (University of Plymouth, United Kingdom)	08:00 - 08:00
566	<b>How students of osteopathy and physiotherapy view and perceive each other's practice</b> Alec Rickard (University of Plymouth, United Kingdom)	08:00 - 08:00
288	<b>Physiotherapists' perceptions of the association of paediatric chartered physiotherapists' musculoskeletal competence frameworks: a case study</b> Suzanne Gray (East Kent Hospitals University NHS Foundation Trust, United Kingdom)	08:00 - 08:00
573	<b>Physiotherapy students' experience and perception of the four pillars of practice</b> Lindsay O'Connor (University of Southampton, United Kingdom)	08:00 - 08:00
437	<b>What are physiotherapy students' experiences of objective structured clinical examinations? A systematic review</b> Alex Willis (University of East Anglia, United Kingdom)	08:00 - 08:00
449	<b>Biomechanical insights into tibial stress fracture risk: supporting injury risk analysis in Royal Marine trainees</b>	08:00 - 08:00

	Henry P. J. Bunclark (University of Exeter, United Kingdom)	
328	<b>Macmillan clinical specialist physiotherapist role evaluation at year 1</b> Samuel Nelson (James Paget University Hospital, United Kingdom)	08:00 - 08:00
420	<b>Achilles tendon rupture VTE assessment/outcomes: collaborative work with ED to produce new clinical guideline</b> Dawn Lockey (South Tyneside and Sunderland NHS Foundation Trust, United Kingdom)	08:00 - 08:00
309	<b>Advanced sharing of interview questions with undergraduate physiotherapy applicants - an evaluation to inform future recruitment</b> Jo-Dee Tame (Cardiff University, United Kingdom)	08:00 - 08:00
371	<b>An evaluation of a 12-month preceptorship programme for newly qualified physiotherapists</b> Lucy Parry (Betsi Cadwaladr University Health Board, United Kingdom)	08:00 - 08:00
531	<b>Coproduction of a sustainable learning resource within neurological physiotherapy services: a quality improvement project</b> Jo Pearse-Jones (The Llandough Specialist Spinal and Neuro Rehab Centre, United Kingdom)	08:00 - 08:00
490	<b>Creating career pathways to improve physiotherapy retention: a workforce development initiative</b> Keira Broom (Torbay and South Devon NHS Foundation Trust, United Kingdom)	08:00 - 08:00
89	<b>Developing AHP educator capability in providing an inclusive and high-quality learning environment for neurodivergent learners</b> Lizzie May (Guy's and St Thomas's Hospital Trust, United Kingdom)	08:00 - 08:00
514	<b>Establishing a community of practice to support MSK sonography among physiotherapists in South East London</b> Michael McMahon (Guy's & St Thomas NHS Foundation Trust, United Kingdom)	08:00 - 08:00
533	<b>Evaluation of a co-delivered simulated practice learning experience working with experts with lived experience</b> Kathryn Collins (Bournemouth University, United Kingdom)	08:00 - 08:00
76	<b>Evaluation of on-call training redesign-pilot</b> Andrew Murphy (Cwm Taf Morgannwg University Health Board, United Kingdom)	08:00 - 08:00
169	<b>Experience, delivery and impact of physiotherapy degree apprenticeships</b> Catriona Smith (Skills for Health, United Kingdom)	08:00 - 08:10
355	<b>Experiences of facilitating a 4:1 model with physiotherapy students on an inpatient orthopaedic ward</b> Jenny Coe (University Hospitals Sussex NHS Trust, United Kingdom)	08:10 - 08:10
310	<b>Exploring NHS staff perceptions of criteria-led discharge: a qualitative service evaluation</b> Samantha Cook (The Royal Wolverhampton NHS Trust, United Kingdom)	08:10 - 08:10
238	<b>Fostering workforce sustainability in physiotherapy: implementing the 'Action Improvement Feedback Model'</b> Modupe Bolarin (Whipps Cross Hospital- Barts Health NHS Trust, United Kingdom)	08:10 - 08:10
317	<b>Future care planning quality audit led by advanced physiotherapy practitioners from a multidisciplinary team</b> Niamh Breslin (NHS Greater Glasgow & Clyde, United Kingdom)	08:10 - 08:10
209	<b>Identifying key initial musculoskeletal assessment appointment non-clinical information: a service evaluation with patients and physiotherapists</b> Gemma Plowright (Birmingham Community Healthcare NHS Trust, United Kingdom)	08:10 - 08:10

434	<b>Improve the utilization of tele-health appointments in the Royal Free MSK department</b> Roisin O'Neill (Royal Free Trust, United Kingdom)	08:10 - 08:10
572	<b>Integrating research into a Community Musculoskeletal Service</b> Hayley Alderton (Berkshire Healthcare NHS Foundation Trust, United Kingdom)	08:10 - 08:10
366	<b>Interprofessional simulation for newly qualified allied health professionals - participation evaluation</b> Barry Johnstone (NHS Greater Glasgow and Clyde, United Kingdom)	08:10 - 08:10
529	<b>Introducing consultant physiotherapy posts to MSK AHP clinical services</b> Tom Wilkins (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
414	<b>Learning verbs: bridging the gap between university pedagogy and clinical placement</b> Adrian Sweeney (University of East Anglia, United Kingdom)	08:10 - 08:10
461	<b>Non-medical prescribing (NMP) introduction and impact within an MSK back clinic</b> Gareth Marlow (Guys and St Thomas' Foundation Trust, United Kingdom)	08:10 - 08:10
312	<b>Nurse and physiotherapy student experiences of a practice-based inter-professional learning activity</b> Amy Souster (University of Plymouth, United Kingdom)	08:10 - 08:10
502	<b>Physiotherapist (level 6) apprenticeships in an independent healthcare organisation - a programme evaluation</b> Chris Davis (Nuffield Health, United Kingdom)	08:10 - 08:10
557	<b>Practice educators' experiences of supporting physiotherapy students on practice-based learning in the independent sector</b> Chris Davis (Nuffield Health, United Kingdom)	08:10 - 08:10
258	<b>Representing physiotherapy in a new role of Digital Clinical Educator</b> Charlotte Beardsworth (Sheffield Teaching Hospitals Foundation Trust, United Kingdom)	08:10 - 08:10
441	<b>Retrospective audit analyses foot and ankle referrals into Community Musculoskeletal service without biomechanical podiatry service</b> Helena Meally (University Hospitals Birmingham NHS Foundation Trust, United Kingdom)	08:10 - 08:10
469	<b>Shaping pre-registration physiotherapy education together: student's experience of co-creation</b> Christopher Duncan (Glasgow Caledonian University, United Kingdom)	08:10 - 08:10
400	<b>Space audit: review post reconfiguration at the stroke rehabilitation unit</b> Sarah Crowley (Aneurin Bevan University Health Board, United Kingdom)	08:10 - 08:10
421	<b>Taking a strategic approach to align and guide direction of MSK AHP Clinical Services</b> Tom Wilkins (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
419	<b>The Common Placement Assessment Form 2024</b> Jennifer Straker (Chartered Society of Physiotherapy, United Kingdom)	08:10 - 08:10
431	<b>The impact of structured induction programmes for rotational band 5s in an integrated MSK service</b> Rachel Dillon (MWL NHS Trust, United Kingdom)	08:10 - 08:10
375	<b>The integration of internationally recruited therapists at the James Paget University Hospital: a staff survey</b> Princess Woods (James Paget University Hospital, United Kingdom)	08:10 - 08:10

487	<b>The role of non-clinical research placements in physiotherapy education</b> Louise Howe (University of Lincoln, United Kingdom)	08:10 - 08:10
737	<b>Effect of aerobic exercise on physical activity, cardiorespiratory fitness, and quality of life in Long-COVID</b> Olusola Oni (Buckinghamshire New University, High Wycombe, United Kingdom)	08:10 - 08:10
709	<b>An evaluation of early years referrals to a community paediatric physiotherapy service</b> Ashleigh Peliza (The Newcastle Upon Tyne Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
810	<b>Are our musculoskeletal services meeting the needs of our communities in 2025?</b> Katie Clough (ISLE OF WIGHT NHS, United Kingdom)	08:10 - 08:10
751	<b>Assessment of physical activity and quality of life in individuals with Long COVID</b> Olusola Oni (Buckinghamshire New University, High Wycombe, United Kingdom)	08:10 - 08:10
744	<b>Collaborative MDT rehabilitation of unilateral agenesis of upper trapezius and sternocleidomastoid; a case study presentation</b> Karen Evans (Hampshire and Isle of Wight Healthcare NHS Foundation trust, United Kingdom)	08:10 - 08:10
736	<b>MCID of the 6MWT at 3 months following LSS surgery</b> Abi Beddard (Kings College Hospital NHS Foundation Trust, United Kingdom)	08:10 - 08:10
707	<b>Mobility as predictor for in-hospital outcomes in older adults in acute settings: a scoping review</b> Catherine Wharfe (University of Portsmouth, United Kingdom)	08:10 - 08:10
748	<b>Pain neuroscience education for chronic low back pain: a review of evidence-based outcomes</b> Leo Rathinaraj Antony Soundararajan (Buckinghamshire New University, United Kingdom)	08:10 - 08:10
734	<b>Psychosocial and economic challenges of primary carers of children with cerebral palsy in Enugu, Nigeria</b> Mark Chigozie Odom (Sheffield Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:10 - 08:10
693	<b>Rehabilitation for adults with lower limb trauma treated by external fixation: a retrospective service evaluation</b> Lydia Heins (Imperial College Healthcare NHS Trust, United Kingdom)	08:10 - 08:10
762	<b>Rehabilitation is essential for in-patients on acute medical wards to maintain their functional mobility</b> Okechukwu Nwafor (James Paget University Hospital, United Kingdom)	08:10 - 08:10
689	<b>Study evaluating acute dysfunction in posture and balance post critical illness: a feasibility study</b> Ying Tiffany Law (Imperial College Healthcare NHS Trust, United Kingdom)	08:10 - 08:10
770	<b>Survey of current physiotherapy practice in adults surviving with primary brain tumours in the UK</b> Khai Seng Cheng (Nottingham University Hospitals NHS Trust, United Kingdom)	08:10 - 08:10
782	<b>The Oxford Shoulder Score (OSS) for Gujarati speaking people in India: a psychometric evaluation</b> Rahul Chhatlani (Shree Aryatej Institute of Physiotherapy, India)	08:10 - 08:10
721	<b>The unseen symptom: a longitudinal qualitative interview study exploring mobility loss in advanced cancer</b> Carmine Petrasso (King's College London, United Kingdom)	08:10 - 08:10
805	<b>Vigilance in identifying acute, chronic and acute-onset chronic inflammatory demyelinating polyneuropathies</b> Yahweh Van Ram Sri (Teesside University, United Kingdom)	08:10 - 08:10

297	<b>A systematic review of managing individuals with Breathing Pattern Disorder (BPD): an evolving diagnostic framework</b> Lois Roberts (Betsi Cadwaladr Health Board, United Kingdom)	08:10 - 08:10
280	<b>An integrated education and exercise programme for Tamil people with osteoarthritis knee in India</b> Malarvizhi D (SRM Institute of Science and Technology, India)	08:10 - 08:10
330	<b>Assessing patient-reported outcomes for upper limb conditions in Tamil Nadu: a mixed-methods study</b> Vinitha Arasu (SRM Institute of Science and Technology, India)	08:10 - 08:10
300	<b>Co-designing the inflammatory arthritis self-Management (aiM) intervention</b> Donna Wynne (Robert Gordon University, United Kingdom)	08:10 - 08:10
439	<b>Exploring person-centred physiotherapy practice within the context of Huntington's Disease, UK (protocol)</b> Lorraine Barry (Edinburgh Napier University, United Kingdom)	08:10 - 08:10
433	<b>Physiotherapist-led weight management for people with osteoarthritis: a scoping review</b> Ben Steele-Turner (University of Portsmouth, United Kingdom)	08:10 - 08:10
348	<b>Prehabilitation for lumbar spinal stenosis: understanding mechanisms and contexts for enhanced engagement: a realist review</b> Rebecca Hunter (Northumbria University Newcastle, United Kingdom)	08:10 - 08:10
198	<b>Reframing rehabilitation of proximal humeral fractures in older adults through early functional use: A narrative review</b> Jia Hui Gan (Epsom and St Helier University Hospitals NHS Trust, United Kingdom)	08:10 - 08:10
101	<b>TAPER-intervention: Translating Activity Pacing resources for primary care to support the management of chronic pain</b> Deborah Antcliff (Northern Care Alliance NHS Foundation Trust, United Kingdom)	08:10 - 08:10
564	<b>Which outcomes are important to patients after total knee replacement? A discrete choice experiment protocol</b> Philippa Nicolson (The University of Oxford, United Kingdom)	08:10 - 08:10
578	<b>24-hour movement behaviour support for people living with multiple long-term conditions and frailty: qualitative study</b> Hannah Young (University of Leicester and University Hospitals of Leicester NHS Trust, United Kingdom)	08:10 - 08:10
351	<b>A qualitative evaluation exploring the experience of people with fibromyalgia participating in a rehabilitation pathway</b> Paula Dixon (Mersey Care NHS Foundation Trust, United Kingdom)	08:10 - 08:10
567	<b>Communication about aids / adaptations to activities of daily living in occupational therapy and physiotherapy</b> Ruth Parry (Treetops Hospice, United Kingdom)	08:10 - 08:10
365	<b>Exploring the experience of people with shoulder osteoarthritis and their perceptions of non-surgical management</b> Stacey Lalonde (Airedale NHS Foundation Trust, United Kingdom)	08:10 - 08:10
62	<b>Integration of an innovative leg strengthening device 'S-Press' into physiotherapy rehabilitation practice, a qualitative examination</b> Jen Turner (JTR rehab, United Kingdom)	08:10 - 08:10
553	<b>Is the autonomic muscular and neural basis factored in incontinence physiotherapy assessments and treatments?</b> Hope Gangata (University of Exeter, United Kingdom)	08:10 - 08:10
560	<b>Knowledge, attitudes, and practices regarding pelvic floor muscle</b>	08:10 - 08:10

	<b>training in undergraduate physiotherapy students</b> Veena Raigangar (University of Brighton, United Kingdom)

507	<b>Enabling therapists to identify the domains of cognition to improve diagnosis of Mild Cognitive Impairment</b> Maria Heathcoat (Cardiff and Vale University Health Board, United Kingdom)	08:10 - 08:10

435	<b>From fog to focus: using community rehabilitation standards for clarity in service delivery</b> Sarah Paterson (Oxford Brookes University, United Kingdom)	08:10 - 08:10
556	<b>Implementing a structured "Introduction to Loading" class for post-operative ACL reconstruction (ACLR) patients</b> Lloyd Heckler (University Hospitals Birmingham - Queen Elizabeth Hospital, United Kingdom)	08:10 - 08:10
377	<b>Improving access for addiction patients in Enfield living with COPD to Pulmonary Rehabilitation (PR)</b> Natalia Fabbri (Royal Free London NHS Foundation Trust, United Kingdom)	08:10 - 08:10
483	<b>Improving adherence to splinting regimes in a brain-injury unit utilising QR codes and multi-media materials</b> Bev Thompson (South Warwickshire University Foundation Trust, United Kingdom)	08:10 - 08:10
313	<b>Improving rheumatology screening: evaluating referral outcomes between orthopaedic triage and rheumatology for suspected inflammatory arthropathies</b> Richard Husselbee (Birmingham Community Healthcare NHS Foundation Trust, United Kingdom)	08:10 - 08:20
409	<b>Living well with Parkinson's - providing educational sessions for people with newly diagnosed Parkinson's</b> Jonathan Gilby (Livewell Southwest, United Kingdom)	08:20 - 08:20
138	<b>Lumbar spinal stenosis: an audit of patient rehabilitation in Sussex</b> Matthew Sanderson (Sussex MSK Health, United Kingdom)	08:20 - 08:20
390	<b>New approach to team working transforms waiting times for falls patients</b> Lee Moody (NERS, United Kingdom)	08:20 - 08:20
417	<b>NHS Greater Glasgow and Clyde hydrotherapy service evaluation</b> Ross Urquhart (NHS Greater Glasgow and Clyde, United Kingdom)	08:20 - 08:20
176	<b>Optimising patient pathways: accelerating diagnosis and enhancing rehabilitation through streamlined MRI access</b> Tom Warner (Somerset NHS Foundation Trust, United Kingdom)	08:20 - 08:20
542	<b>Physiotherapy(PT) within adult social services to reduce dependence on care and support needs: service evaluation report</b> Sneha Shah (West Northamptonshire Council, United Kingdom)	08:20 - 08:20
361	<b>Shared decision making: treatment options for people with knee pain within MSK APP assessment clinics</b> Alix Maxwell (East Lothian Health and Social Care Partnership, United Kingdom)	08:20 - 08:20
411	<b>Shifting to proactive physiotherapy in Parkinson's disease: a quality improvement project</b> Victoria Mullen (NHS Greater Glasgow and Clyde, United Kingdom)	08:20 - 08:20
387	<b>Situating rehabilitation: a novel curriculum for developing rehabilitation in a physiotherapy workforce</b> Jamie Gibson (Guy's St Thomas NHS Foundation Trust, United Kingdom)	08:20 - 08:20
391	<b>South East Squire Project: responsive rehabilitation for stroke patients with long term and complex needs</b> Louise Myeni (East Sussex Healthcare NHS Trust, United Kingdom)	08:20 - 08:20
450	<b>Specifying a new treatment theory of rehabilitation of Functional Neurological Disorder within a paediatric patient</b> Amelia Khan (Guys and St Thomas NHS Trust, United Kingdom)	08:20 - 08:20
220	<b>Targeted medical ward 7 day physiotherapy service evaluation: a patient, carer, relative and staff perspective</b> Angharad Ladd (Swansea Bay University HB, United Kingdom)	08:20 - 08:20

402	<b>The impact of rehabilitation prescription on staff well-being and caseload management; a feasibility pilot study</b> Megan Adams (Cwm Taf Morgannwg University Health Board, United Kingdom)	08:20 - 08:20
472	<b>The results of a six week prehabilitation course for patients due hip or knee arthroplasty</b> Natalie Potts (Nuffield Health, United Kingdom)	08:20 - 08:20
283	<b>To improve the quality and efficiency of delivering FCP services to patients in primary care</b> Lisa Ferguson (Somerset NHS Foundation Trust, United Kingdom)	08:20 - 08:20
549	<b>Transforming spinal care: the introduction of a Spinal MDT Triage service</b> Diane Reid (Manchester University NHS Foundation Trust, United Kingdom)	08:20 - 08:20
828	<b>A virtual musculoskeletal case history simulation with service users for pre-registration physiotherapy students</b> Carol McNally (Oxford Brookes University, United Kingdom)	08:20 - 08:20
627	<b>Development of a virtual post intensive care recovery hub</b> Cordy Gaubert (Bradford Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:20 - 08:20
603	<b>Exploring feasibility and functionality of rehabilitative ultrasound in Nepal. A narrative review</b> Binaya Kandel (National Academy of Medical Sciences, Bir Hospital, Nepal)	08:20 - 08:20
817	<b>Knowledge and attitudes of physiotherapists on using AI based software for clinical note taking (AI-scribing)</b> Minneripitige Ayodhya Karunaratne (University of Bedfordshire, United Kingdom)	08:20 - 08:20
658	<b>Outcomes of an App-based treatment for patients with musculoskeletal back pain over a 12-week period</b> Claire Tanner (Circle Integrated Care, United Kingdom)	08:20 - 08:20
767	<b>Physiotherapy students perceptions and use of Artificial Intelligence in physiotherapy education</b> Nicola King (University of Leicester, United Kingdom)	08:20 - 08:20
792	<b>Primary care outcome service evaluation of a prescription osteo arthritis light knee brace</b> Emma Bowen-Simpkins (Chawton Park Surgery, United Kingdom)	08:20 - 08:20
708	<b>Rethinking end-of-life care education: do simulation-based approaches improve physiotherapy students' competence?</b> Hady Atef (Keele University, United Kingdom)	08:20 - 08:20
823	<b>The awareness and perception of physiotherapists on use of artificial intelligence based products for physiotherapy</b> Minneripitige Ayodhya Karunaratne (University of Bedfordshire, United Kingdom)	08:20 - 08:20
799	<b>Triage with Tele (TwT): early brief intervention for children's physiotherapy</b> Sarah Roberts (ABUHB, United Kingdom)	08:20 - 08:20
764	<b>Walking the path of paediatric neurorehabilitation: carers' perspectives</b> Caroline Belchamber (Health Sciences University, United Kingdom)	08:20 - 08:20
446	<b>Developing a tool to activate allied health professionals to apply informatics learning in their practice</b> Matthew Liston (Chartered Society of Physiotherapy, United Kingdom)	08:20 - 08:20
279	<b>Experiences of individuals with chronic pain participating in digital pain management interventions</b> Justin Strain (Hampshire and Isle of Wight Healthcare NHS Foundation Trust, United Kingdom)	08:20 - 08:20

342	<b>Exploring physiotherapy staff perspectives of virtual delivery for non-patient-facing activities in MSK outpatient services</b> Sophie Gilhooly (Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust, United Kingdom)	08:20 - 08:20
360	<b>Exploring the use of transformative rehabilitation digital health technologies solutions with MSc (pre-reg) physiotherapy students</b> Caroline Belchamber (Health Sciences University, United Kingdom)	08:20 - 08:20
465	<b>Perceptions of paediatric physiotherapists using telerehabilitation in neurological outpatient settings in the United Kingdom</b> Queen Kojusola Aina-David (Royal Free London NHS Trust, United Kingdom)	08:20 - 08:20
524	<b>Effectiveness of technology-assisted fall prevention programs compared to traditional exercise-based interventions in community-dwelling older adults</b> Poruthotage Milan Nilendra Perera (NHS Forth Valley, United Kingdom)	08:20 - 08:20
458	<b>Physiotherapy students perceptions of using Cadaver specimens compared with an Anatomage Table for studying anatomy</b> Lindsey Maughan (Teesside University, United Kingdom)	08:20 - 08:20
561	<b>Using AI to enhance reflective practice in an online course</b> Michael Rowe (University of Lincoln, United Kingdom)	08:20 - 08:20
480	<b>An evaluation of Bodyswaps™ immersive virtual reality (VR) programme as part of pre-registration physiotherapy curricula</b> Annabel Williams (Oxford Brookes University, United Kingdom)	08:20 - 08:20
353	<b>Co-design of an immersive virtual reality anatomy teaching intervention</b> Laura Eccott (University of Hertfordshire, United Kingdom)	08:20 - 08:20
384	<b>Digital self-management applications can support the NHS green agenda: an evaluation in a musculoskeletal service</b> Kevin Tucker (Sandwell & West Birmingham NHS Trust, United Kingdom)	08:20 - 08:20
319	<b>Digital transformation: streamlining MSK waiting lists in somerset</b> Ed Davis (Somerset NHS Foundation Trust, United Kingdom)	08:20 - 08:20
473	<b>MDT communication</b> Stephen Everson (ABUHB, United Kingdom)	08:20 - 08:20
357	<b>Optimising patient flow through digital triage and supported self-management: an evaluation within a musculoskeletal service</b> Roanna Burgess (Sandwell and West Birmingham NHS Trust, United Kingdom)	08:20 - 08:20
84	<b>Quality improvement project to increase the Friends and Family Test completed in community MSK service</b> Aanal Shah (Manchester University NHS Trust, United Kingdom)	08:20 - 08:20
298	<b>Using a simulated clinical based escape-room as a learning environment for allied health professional students</b> Amy Souster (University of Plymouth, United Kingdom)	08:20 - 08:20
235	<b>Applying Andago to intensive neurorehabilitation through education and data collection</b> Alice Winter-Burke (Hobbs Rehabilitation, United Kingdom)	08:20 - 08:20
443	<b>Co-production of a foundational data and digital education programme for the UK AHP workforce</b> Euan McComiskie (Chartered Society of Physiotherapy, United Kingdom)	08:20 - 08:20
227	<b>Digitalisation of the Major Trauma Team workflows at North Bristol NHS Trust</b> Claire Worgan (North Bristol NHS Trust, United Kingdom)	08:20 - 08:20

570	<b>Evaluating a prehabilitation app for oesophagogastric cancer using uMARS: transforming physiotherapy through technology</b> Alison Kelly (Queen Margaret University, United Kingdom)	08:20 - 08:20
511	<b>The transformation of the Disordered Breathing Service from a 1.1 model to physiotherapy-led educational presentations</b> Deborah Overton (Aneurin Bevan University Health Board, United Kingdom)	08:20 - 08:20
456	<b>Typing with empathy: simulated conversations that build inclusive clinicians</b> Nikita Mascarenhas (University of Salford, United Kingdom)	08:20 - 08:20
575	<b>What factors influence patient engagement with myCOPD among those who decline face-to-face pulmonary rehabilitation?</b> Rudo Chimera (Kettering General Hospital, United Kingdom)	08:20 - 08:20
